DOCTOR DEMONSTRATES PENIS ENLARGEMENT CAN WORK!

Amongst the numerous claims made in this most sensitive field comes an entirely new method, the result of two years research by a world famous Sexologist.

Studies have shown this method to be reliable and safe. While most methods remain closely guarded secrets the Chartham Method has nothing to hide. All the facts are published including actual case histories—a firm testimony to the success of this revolutionary method.

The Chartham Method is a proven means of increasing the size of the male organ, both in the flaccid and erect state, developed and tested by *Dr. Robert Chartham, Ph.D.*, Consultant Editor to Penthouse Forum.

There has never been, until now, anyone of repute willing and able to undertake a serious investigation into the possibility of increasing the size of the penis. The medical profession has always scoffed at both the desirability and possibility of achieving this.

The desirability is surely the choice of the individual, while the possibility is obvious, when one thinks about it.

An erection is produced by erotic stimulation, transmitted from the brain via the appropriate nerves, causing the penis to be liberally charged with blood, which causes it to expand and stiffen.

Basically speaking, to enlarge the erection, it is necessary to increase the blood flow and to stretch the erectile tissues of the penis to accommodate the extra blood.

These are the two most important problems successfully solved by Dr. Robert Chartham, during his lengthy investigations.

Dr. Robert Chartham Ph.D. is the author of a dozen books on sexology with world wide sales of over 9 million translated into eleven different languages. He has been a sex counsellor for 40 years and has his own clinic in London, England, where he receives over 4,000 letters a year from all over the world. He also lectures on sexual psychology at many British Universities, has spoken on television in both America and Britain, and was the pioneer of sex education for teenagers in the U.K.

THE FACTS ABOUT THE CHARTHAM METHOD

Dr. Chartham's interest in the possibility of increasing penile dimensions caused him to investigate such alleged methods as were already in existence. To this end he was able to call on the assistance of a number of men who have helped him in other experiments.

His initial research showed that the fantastic claims made by many of these methods were backed by no concrete evidence whatsoever and experiments proved them virtually useless. However, two methods did succeed in producing some improvement — the Maghall Course and the Vacuum Developer.

The improvements gained by the former were slight but permanent and also resulted in a much firmer erection. The Vacuum Developer produced considerable improvement, but only of a temporary nature. Various models of these were tested but some were found to be positively dangerous in use, with the result that Dr. Chartham decided on one of his own design.

He next used these two methods in conjunction with each other and achieved considerable success.

Further research enabled Dr. Chartham to incorporate additional improvements in order to combine them to the best possible advantage. The result was an entirely new method of penile development.

He then tested his method with 15 men of varying age groups. The following results are exactly as stated in his report.

Of the 15 who took part, 3 were aged 21, 23 and 24 respectively; 4 were between 28 and 35; 5 were between 40 and 45 and 2 were 51 and 54 respectively. The 21 and 23 year olds added up to 1¼" in length and ¾" in girth. The 24 year old added 1" in length and just over 1" in girth. The 28s to 35s between ¾" to 1" in length and between ½" and ¾" in girth. The 40s to 45s were within the same limits, though one added 1½" to length and an inch to girth. The 51 year old added ¾" to length and an inch to girth, and the 54 year old put on ¾" length and just over 1¼" in girth.

A latecomer to the tests was a man in his early 60s, whose measurements were already 6½" in length and 5" in girth, yet produced the surprising results of 1.3" in length and 0.7" in girth by the time all had completed the course, though he carried it out for one month less than the rest."

These results are even more amazing than at first appears.

First, there was not a single failure in any age group. Secondly, the increases both in length and circumference are quite remarkable when one considers them in perspective. To appreciate what an increase in girth of ¾" means, take a tape measure and curl the end over to make a circle of 4¾" (roughly average penis circumference) then move it out to 5½". The difference in length can be shown by holding a ruler against the length of your own erect penis and imagining another 1" added.

SOME QUESTIONS AND ANSWERS ABOUT THE CHARTHAM METHOD

Q. Why should a man wish to increase the size of his penis, when all the books say that size doesn't matter?

A. It is a fact that the size of a man's penis does not physically affect his sexual performance or his ability to give satisfaction to his partner. Dr. Robert Chartham, has for over 30 years attempted to convince worried men that their feelings of penile inferiority were unfounded. However, of recent years he has come to the conclusion that, psychologically, the size of a man's penis is of vital importance to him and, that no amount of assurance will convince the underdeveloped man that he can be the sexual equal of his more well endowed neighbour. Neither is it possible to convince the average woman that a larger penis will not necessarily afford her more sexual enjoyment. The penis is the symbol of man's masculinity and any fears as to its dimensions being inadequate can be extremely damaging to his sexual confidence. On the other hand, the man who is well endowed in this respect has every confidence in his lovemaking.

Q. What does the Chartham Method consist of?

A. The Chartham Method consists of the course manual, containing detailed and illustrated instructions as to the exercises, manipulations and massage, together with the Vacuum Developer, which is used in conjunction with these. There are no drugs or medications. The instruction manual has been written by Dr. Chartham himself in clear and concise language, making it simple for anyone to follow. The specially designed Vacuum Developer is made of clear material so that you can actually see the penis expanding during use. This model has been specially constructed so that no harm can be done to the penis by it's use, according to the instructions. The course needs to be carried out for 12 weeks in order to obtain maximum results.

Q. How does the Chartham Method work?

A. Expressed as briefly as possible, the rationale of the Chartham Method lies in stimulating the circulation to increase the supply of blood to the genital region; in promoting the elasticity and expansile properties of the vascular tissue of shaft and glans; and in enabling the subject to achieve positive control of normally involuntary muscle action.

Q. Is the Chartham Method suitable for me?

A. Yes, if you are in a reasonable state of health and wish to increase your penis dimensions. No, if you suffer from heart trouble or any condition whereby you cannot safely indulge in moderate exercise.

Q. What is the cost of the Chartham Method?

A. The total price is $39.95, includes postage and handling. Available only thru the mail.

The instruction manual is printed in English, German, Italian and French.

If no results are achieved after carrying out the Chartham Method as directed a full refund will be made on its return to us.

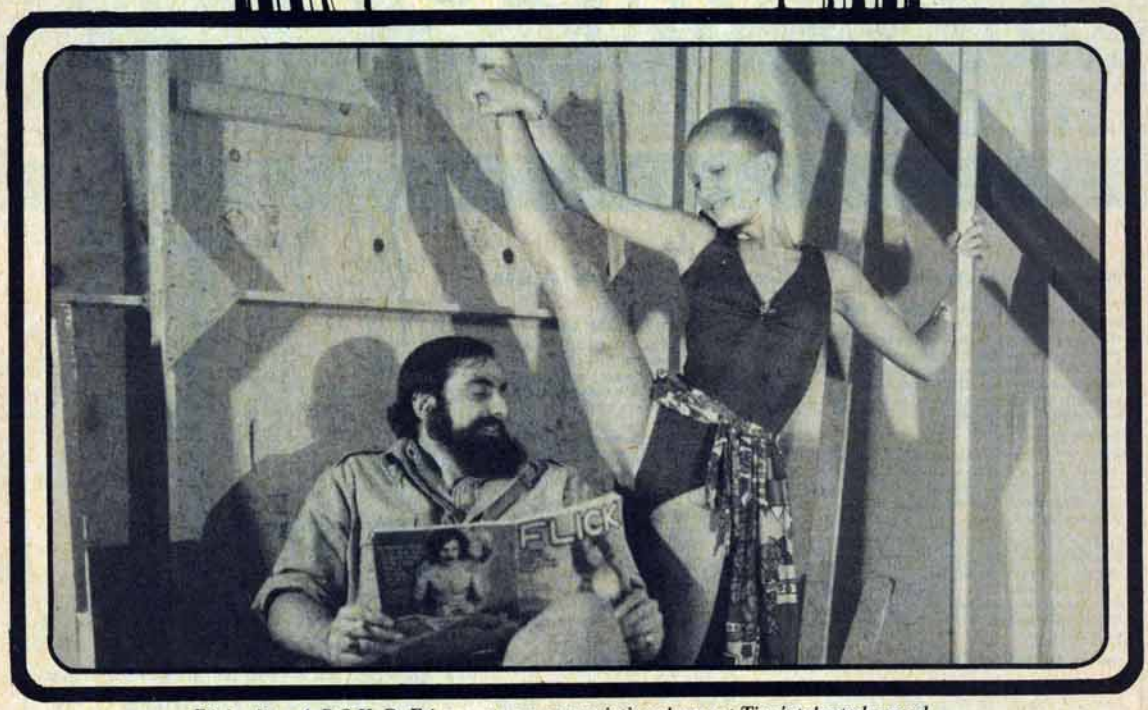
INTERVIEW WITH TINA LYNN



Flick editor A.P.C.H. DuFrirsz casts an appreciative glance at Tina's talented spread.

Tina Lynn is like a breath of fresh air in the porn business. She is very young, very beautiful and very talented. She is an accomplished ballerina, actress, director and photographer. She was born in Austria and came to this country a few years ago. She is a Carter Stevens protege and he had this to say about her first film, "Jailbait": Tina is a natural actress who is also one of the most supple and beautiful women I have ever seen. She is destined to be a huge, huge star because she is, at a very young age, a complete professional and is dedicated to her craft.

Flick interviewed Tina the day after she finished shooting "Jailbait" (the film is covered in more depth on page 48) and the impressions of her first film were still heavily on her mind.

FLICK: I want you to begin by telling us something about yourself . . .

TINA: I was born in Austria—near Innsbruck and came to the U.S. at the age of 12. I danced for three years at the New Jersey Ballet company—and I danced for the Garden State Ballet Company. Then I danced with ABT over there—you know, in New York at the Ballet Theatre under scholarship—and I have done acting in music halls, such as MY FAIR LADY, the MUSIC MAN, FANTASTICS. I have had lessons in swimming. I have done numerous things in choreography, swimming, acrobatics, tap and jazz.

FLICK: Hod did you decide to start this career?

TINA: Well, I have done acting. I don't mind doing either pornography or regular film work.

FLICK: When you were faced with any where from to 10 to 15 people around the setting, you had to feel like a stranger.

TINA: Well, I was a little nervous at the start, but I know how to do it and it had to be done. I just cleared my mind and I pretended those people weren't there; I was in my own room with somebody I knew. I eliminated everyone else from my mind and pretended they weren't there.

FLICK: Did you have any difficulty at all in being sexually realistic? I mean portraying orgasms and all?

TINA: I didn't act that out, I really felt it. And, as I said, I enjoyed it. I really enjoyed it.

FLICK: Did you do any Lesbian scenes?

The first thing I look for in a man is the size and shape of his cock . . . I like them big and round. I love to feel it deep inside me.

TINA: Yes. One at the end.

FLICK: Do you like that?

TINA: No, I don't care for women in lesbian scenes with me—I like men . . . just men. I don't care if there is one, two, three or four. . . .

FLICK: Do you find that dancing helped you in bed? Did it make you more supple or more amiable to the positions?

TINA: It might have. I know it has helped my walk, poise and balance.

FLICK: What was it like working with Carter Stevens?

TINA: Oh, it was a fine experience and I enjoyed it.

FLICK: How did you like the 18 to 20 hour work days?

TINA: Well, you see I have been experienced in this type of business. With dancing, we had rehearsals for hours and hours. I had the stregth and endurance built up in me; it's required for this field.

FLICK: Do you want to do more pornography?

TINA: If it's available, sure! I don't turn it down.

FLICK: Well, I don't think you will have any trouble getting work, do you?

TINA: If it's available, I'll take it. But I would like to get into straight movies, too.

FLICK: Did you ever regret doing this?

TINA: No.

FLICK: Did you get along with your male co-stars?

TINA: Oh, yes!

FLICK: Do you see them socially outside?

TINA: Not off the set. Why? Well, it was up to him, of course, and I did not . . . not . . .

FLICK: I see. You wouldn't pursue it.

TINA: I was really too dead tired to even think of it.

FLICK: What do you think is your most attractive quality?

TINA: My most attractive quality? My body and my face . . . my figure.

FLICK: Do you think that your body is honest? That it reflects you?

TINA: Yes, very much.

FLICK: Do you want your parents to know what you are doing?

TINA: They knew I made a movie, but I didn't tell them what kind.

FLICK: Would they be shocked if they found out what it was?

TINA: Yes. I'm sure they would. They are very European in terms of their views and ideas about the world and especially about sex. They are very stern. If they found out that I was doing it, they would be very upset.

FLICK: Have you done any still photographs at all?

TINA: Not yet.

FLICK: Do you plan to?

TINA: Yes. Oh, sure!

FLICK: Do you plan to continue ballet?

TINA: I'm in a company—it's called Ballet Company—which I do on the side. We have classes (I teach classes) and we have our rehearsals and we also have performances.

FLICK: Do you have a steady boyfriend?

TINA: No.

FLICK: Why not?

TINA: I have a few boyfriends but, with the type of career and the field I am in, it's always on and off and they cannot wait around. They have an idea of what it's like, I see them when I can, but they are not steady.

FLICK: What do you think is more important, your career or your social life?

TINA: Well, I've really never had a social life. I danced every single day after school. I've always had a very heavy schedule, always, with hardly any free time. I don't mind and I don't miss it; I go out once in a while, but I am really career-oriented.

FLICK: Where do you see yourself going from here?

TINA: To . . . you know, films, theatre, modeling.

FLICK: What do you look for in a lover?

TINA: In a man?

FLICK: Well, yes.

Tina's ballerina training is obvious in this shot.

INTERVIEW WITH TINA LYNN

TINA: The first thing I look at is his body. You know, his muscles . . . his muscular shape.

FLICK: Structure.

TINA: Structure! The size of his, er . . . cock.

FLICK: Well, how do you tell that? I am sitting here and I am dressed. How do you tell the size of my cock?

TINA: Are you asking me dressed or undressed?

FLICK: Well, I assume that the man is going to be dressed the first time you see him.

TINA: I can tell by his eyes, I would say, and his muscular construction.

FLICK: What do you like about cocks? What don't you like about cocks? What kind of cocks do you like?

TINA: I like large ones.

FLICK: You prefer large cocks to small ones?

TINA: Yes, I do!

FLICK: Why?

TINA: Because I love the feel of it, especially when he moves it around and it goes real far up . . . and in and out, hard, fast!

FLICK: Are you basically oral?

TINA: Yes. I am very oral, because I love using my mouth. I love when a man uses his mouth on me; I love to be eaten. I love when he uses his tongue!

FLICK: Are you into anal sex at all?

TINA: No! That is the only thing that doesn't turn me on!

FLICK: You have tried it?

TINA: Yes, and it doesn't turn me on.

FLICK: What kind of man do you like?

TINA: I am basically passive, so I like a man with force.

FLICK: Are you into S & M at all?

TINA: Yes.

FLICK: Whips and chains?

TINA: Yes, that **does** turn me on very much!

FLICK: Do you indulge often?

TINA: I could indulge in it more than I actually do.

FLICK: Would you give me an idea of what you do indulge in?

TINA: Bondage—straps, belts, ropes; being tied down. Much more into the bondage trip than into the actual. . . . That get's me very excited, being passive and helpless.

FLICK: Do you like to be hurt, or do you just like to be helpless?

TINA: It depends on what they are using and to what degree. I wouldn't mind if it is not too hard.

FLICK: But there are degrees?

I've developed great muscle control in my cunt . . . it's so much more exciting if you are tight and you know how to control the cock inside your body.

TINA: Yes. That is what I said. It depends on what degree.

FLICK: How did you get initiated into sex? What was the first time like?

TINA: Well the first time was . . . well, I fooled around over in Austria. I was fooling around at the age of 10. You see, I always looked older than my age and I've always loved older men. That is why I have had hardly any experience with young boys; they couldn't suit me, even at age 14. I was going out with men in their thirties. Maybe they thought I was older; I was drinking at the age of 14.

FLICK: So, how did you lose your cherry?

TINA: I was over here. It was forceful and I loved it and now . . . maybe that is what has influence me.

FLICK: You were raped?

TINA: Yes, you could say that I was. Now, I really love it. If there is anything less than force, it bores me.

FLICK: Do you have sex often.

TINA: Yes. That is why I almost never masturbate.

FLICK: But you said your social life is almost non-existent.

TINA: That was meant in terms of just going out and drinking and such.

FLICK: But your sex life is good.

TINA: Yes. But in terms of just going out and drinking and such as that, I don't do it. I just jump in bed with a man. I like to know a person before going to bed with him. In other words, I don't want to know his name and then hop in bed. I think personality and character mean a lot. I don't like going to bed with a stranger.

FLICK: So you don't like the bar scene?

TINA: No, I don't go there for pick-ups.

FLICK: Have you ever been in love?

TINA: I think I've had infatuations.

FLICK: Do you see yourself getting married?

TINA: No, not for a time.

FLICK: Children?

TINA: Oh, yes! I love them, but not right now.

FLICK: Your career is more important?

TINA: Yes. I don't feel being married and having children is very important right now.

FLICK: Why don't you get a rich older man, very well hung, of course . . .

TINA: I have! I have been going out for three years with this very wealthy man, an Italian. He is very suspicious, jealous

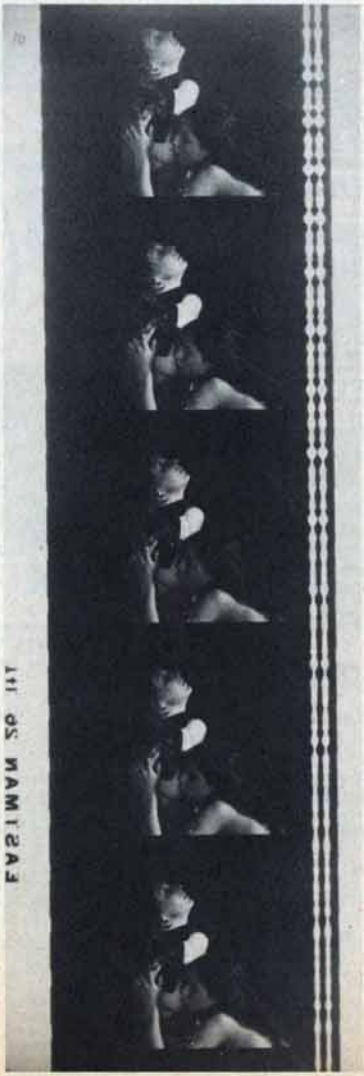
TEENAGE SEX THERAPY

Annette Havens is a doctor who is guaranteed to make your crotch and cock feel good twice a day without fail

Girls will eat girls, given a choice.



Working down to a sloppy bush.

Checking out what is going in her front porch.

■ If you are feeling let down and depressed, a visit to Dr. Armstrong's clinic is sure to perk you up and cure all your ailments. Filmed in lustful color, TEENAGE SEX THERAPY is a West Coast potboiler about young girls who cater to older men.

Starring the beautiful Annette Havens as the good Doctor (she previously appeared in the box-office smash, **China Girl**), this 64-minute erotic adventure combines excellent photography (there is a welcome absence of green or yellow bodies) and hard-core sex in a fashion that should be pleasing to all senses. While a trifle underdeveloped in plot, the swinging action that transpires in the different rooms of the placid mansion more than compensates for this inadequacy. Men who have become impotent are suddenly jumping with joy. They haven't gotten a "lift" out of life like this in years.

The clients drop in and out of Dr. Armstrong's clinic at all hours to be entertained and revitalized. Among the regular visitors are a Kung Fu expert and a state senator.

Throughout the movie, Annette Havens appears as the demure, "strictly professional" lady therapist. She has an impeccable reputation, and seems to actually run a respectable facility that offers great value to those who have lost their sexual drive.

It is only during a visit by a local medical examiner that Dr. Armstrong literally lets her hair down and finds herself having to relieve the tensions of the visiting physician who has come to check out the clinic. Caught short-handed—all teenagers have the day off—Dr. Armstrong has to rely on her own attributes. The examiner has threatened to close down the establishment unless he gets personal service.

"You promised me a 16-year-old girl," he complains, as Dr. Armstrong begins to see her way through the jam. Deciding that she has no other choice but to make

A little kiss will make her snatch feel better.

Annette Havens in costume as a doctor of sex.

Getting down on a couch is a lot more fun in this film, 'cause the medicine goes right between your legs!

Doubling up on a throbbing dork.

the medical examiner's visit as pleasant as possible, the head therapist welcomes his advances. As she takes off her horn-rimmed glasses, it becomes apparent that Dr. Armstrong is a real "live wire." The couple engage in all manner of sexual acrobatics.

In the hottest scene of the film, Dr. Armstrong is stripped naked and lifted onto the mantel of a fireplace. The medical examiner proceeds to attack her oozing cunt with his tongue, looking up at her spread crotch from below. The camera zooms in to show the audience what a real wide-open pussy is supposed to look like.

There are lesbian scenes, **menages a trois** and ample sexual aberrations to suit any taste. There is even an original musical score coupled with some of the funniest lines on screen; and toe-tapping country and western sounds add to your ecstasy.

TEENAGE SEX THERAPY is good therapy for all! ●

A nice, young gash opening for business.

And Angie is the kind of doll who never says no.

Open Mouth — Deep Throat Action

Angie's pretty face has soft, kissable lips that part, opening to a mouth & throat 7" deep. Her soft, fleshy, vinyl skin warms to human touch and is more lifelike than any you've ever seen. Down below is her soft, pliant genital area, a 7" deep vagina and a 7" deep "tight" cuddly ass, the kind you've seen in those tight pants and always wanted to touch.

Detailed Breasts — Humanlike Features

Unlike other dolls, you can dress Angie up. She has arms & legs that look real, all fingers & toes, firm shoulders that fill out a blouse, and soft, spongy 34C breasts with perky nipples that fairly cry out to be tweaked and sucked.

10 Day Trial Guarantee — Special Options

If Angie isn't all we say she is, you can return her within 10 days for a full refund (less shipping costs), provided she is returned in her original box and inner wrapping and has never been dirtied. CUM DROPS KEEP FALLING ON MY HEAD

By J. D. Gordon

The story of an innocent musician getting deeply into porn!

■ My name is Steeg Reinhard and I'm a composer. I write music for television commercials and documentary films. I have an excellent reputation and make a good living. Recently, my manager called me about writing the music for an erotic film. My initial reaction was a loud no! I was one of those people who felt that sex belonged in the privacy of the bedroom, but my manager insisted I was blowing an excellent money deal. I said I'd talk it over with my wife.

Beth felt as I did. "Filth is filth whether it's garbage in the streets or people copulating on the screen." Again my manager insisted I rethink my position. Not only would I receive an excellent salary for the score, but the people involved in producing the film were some of the top names in the business. So once again I discussed it with Beth.

Though she was strongly against it, she did agree to meet the producer and director to make sure they weren't "perverted perverts." Beth's reluctance about me getting involved in a sex movie was based on a traumatic incident she had in her teens. When she was sixteen, Beth was brutally raped by six crazed juvenile delinquents, who forced her to participate in various unnatural acts. Even today, aften ten years of marriage, Beth still refuses to touch my penis unless she wears gloves. She has never performed fellatio upon me because she goes into a faint if a penis nears her face.

I accepted Beth's problems because I didn't believe that a good relationship had to be based on only sex. The strong bond between us was my music and my career.

Of course, to look at Beth, it was difficult to believe that she feared sex. She's thirty years old, 5'7, straight blonde hair, green eyes, long, slim legs and full, chunky breasts. I'm 33, 6' even and considered quite handsome, but, as I explained, my sex life was limited due to Beth's problems.

Our best friends are a married couple, both of whom are pyschologists. Dr. Alvin Saltzman and his beautiful wife, Doris, have been very understanding and sympathetic with us over the years. Alvin says I'm asexual, but because of Beth's hangups it was the best solution to our marriage. Yet Alvin and Doris both agreed that I should take the film assignment.

Doris, a striking, 28-year old brunette, suggested it could be an enlightening experience to work on an erotic film. "The two of you can't pretend forever that sex doesn't exist."

Alvin maintained that sex, pornography or erotica—whatever one calls it—is "not only harmless, but of great value as an educational tool." Beth wasn't convinced, but we did agree to meet the film people.

My manager arranged the meeting between Beth and me and the producer and the director. We were pleasantly surprised at the outcome. The producer, Avery Lags, was a soft-spoken, pipe-smoking young man, who had produced over a dozen erotic films, all successful box office attractions. As I was not an erotic film buff, I didn't know his films but his manner was very reassuring.

The director was a beautiful, 24-year old brunette girl from London. Everything about Lydia Taylor reeked of class and Beth couldn't believe that such a cultured, pretty woman could be the director of an erotic film. Two days later I signed contracts.

Scoring a film takes place after the filming has been completed, but since this was my first experience on an erotic film, Avery invited Beth and me to a screening of the first day's **rushes**. The screening was to be held at Avery's office and we were able to invite our psychologist friends along. My manager and his wife, Louise, were also invited so

CUM DROPS KEEP FALLING ON MY HEAD

Beth and I began to relax a bit.

There were a dozen of us at Avery's posh offices, including the stars of the film, three handsome men and three exquisite-looking young women. We entered a luxurious screening room with ten rows of very comfortable and wide chairs. A bar was set up in the corner and everyone was so polite and friendly it was hard to believe that anything erotic was involved. The screening was set for nine o'clock and we were there before eight. Avery's voice came over a speaker. "If everyone will sit down, our special bartenders will serve drinks."

No sooner was I seated when a door opened and in walked two young women and a man. Beth murmured, "Oh, no!" The two girls were topless and their breasts were enormous! They wore those baggy pants that are so in vogue today and burlap wedgies. But it was the man that Beth reacted to! He was a tall, stocky, black wearing a white T-shirt and white briefs with a massive, stiff, black cock sticking out in the air! When one of the white girls stroked the huge black organ, Beth slumped in her chair!

Fortunately, she didn't faint; she was too nervous with all the other people around her. Their reactions were different. Most applauded and gave their drink orders. Suddenly, I was stunned when Alvin's wife, Doris, who was sitting on my right, placed her hand on Alvin's crotch and rubbed it! I nudged Beth who took one glance and closed her eyes, murmuring "Oh, God!"

Meanwhile, I had an enormous erection and it was killing me because of my tight pants. As I tried to make myself comfortable, the stocky black appeared in the aisle right near Beth, who was sitting in the aisle seat. Beth shrunk in terror as the black moved up to the row in front of Beth and dangled his prick in one of the actresses' face. He only asked what kind of drink she wanted. The actress flipped Beth out by saying, "What if I drank you?"

She turned sideways and pulled the monstruous, black cock into her mouth in front of Beth's gaping eyes! One of the topless bar girls ran up the aisle. She went to her knees behind the black and, to Beth's horror—and everyone else's enjoyment—ripped the back of his briefs open, put her tiny white fingers on the large black buttocks and stuck her pink tongue inside the man's asshole!

I was totally confused! My erection was killing me. I was concerned about Beth and then Doris went crazy! She had pulled out Alvin's cock and was sucking it at the same time she was trying to feel mine! I needed a drink so bad, but I was afraid to leave Beth and afraid to stand up and have everyone see that I had a throbbing hard-on!

The first time I walked on a porn set I thought my eyes would bulge out, not to mention my pants! Dozens of lovely ladies were sucking and fucking and the camera crew looked on as if nothing was happening!

I thought that musicians knew how to swing, but I was never prepared for the porn people's version of a good-night kiss. My cock was getting friction burns from saying good night to so many different and lovely blonde cunts. Porn is definitely good for your sex life!

The door opened and Lydia and Avery walked in—naked! Beth and I groaned simultaneously. Lydia was wearing thigh-high suede boots, but that was all. I managed to yell for scotch and the other topless barmaid brought over two drinks. I gulped both down and ordered two more. Beth was trembling in her seat, her fists were clenched and her eyes were blinking furiously. I ordered scotch for her!

I couldn't believe the antics of Alvin and Doris and my manager and his wife! They were undressing each other and enjoying it! Avery told everyone to relax and get out of their clothes. Moments later, only Beth and I had clothes on.

Lydia took the scotch over to Beth and tried to get her to open her eyes, which was Beth's only defense—blot it out! Lydia's soft, gentle voice was so soothing that Beth opened them and what does she see! The stocky black's hard cock exploded a ton of semen all over the girl's face in front of her! When Lydia reached over and dipped her fingers in the semen on the girl's face and then offered them to Beth, my wife went limp again—but she didn't faint, she just seemed paralyzed.

I looked to my right! Good Lord! Alvin was spread on his stomach over three seats. His feet were on Dori's lap and she was tonguing some actor's tongue, while her hand stroked Alvin's prick. Another actress was leaning over her seat with her lovely face buried between Alvin's buttocks. And Alvin's face was buried in the bushy pussy hair of my manager's wife! I was so over-shocked, over-stunned and over-surprised that I let nature's instinct take command. I unzipped my fly and pulled out my own large, rigid tool! Beth opened her eyes at my movement, groaned piercingly and turned away—and into Lydia's waiting arms.

Lydia, naked and turned on as she was, sensed Beth's predicament and whispered to her not to be afraid. She got Beth to take another scotch. As Beth drained the glass, Lydia reached over her lap to caress my prick! "It's beautiful, Beth, and it's all yours." Beth managed a weak nod. Lydia took Beth's empty glass and handed it to one of the naked actors. I kept pushing my prick into Lydia's soft but firm hand.

A new stunned, surprised shock hit me! The actor with Beth's glass in his hand was pissing into it! Now I exclaimed "My God!" The actor took the glass filled with urine and moved over to the huge black, who was now fucking the mouth of one of the barmaids. As Beth and I stared disbelievingly at the scene in front of us, the actor tipped the glass slowly and the piss poured on the pretty

THROUGH THE

LOOKING GLASS

■ Jonas Middleton's new movie, **Through the Looking Glass,** is a major step forward in porn. It deals with a rather "heavy" theme and sex is only part of the plot, not the other way around. In a nutshell, the story deals with Catherine Burgess who is beautiful, rich and vain and her temptation and eventual surrender to a supernatural being. If that sounds familiar, it is. The theme of being rewarded by Satan or the devil (or whatever you call him) is the oldest in history—witness Eve and that bloody serpent.

"Through the Looking Glass" steps beyond conventional porn films. There is lust, Satan, wealth, evil, incest, rape, fantasy and more. Definitely a film for the more experienced and sophisticated porn buff.

The sets and the costumes are incredibly lavish. Obviously, Middleton has spent a lot of time, effort and money in making his movie look good. Now for the bad news. The part of the lead is played by newcomer Catherine Burgess and,

Jamie Gillis and Marie Taylor as Father and Daughter.

Jamie and Catherine in the Satanic anal rape sequence.

Fantasy lawn sequence.

Two of the devil's disciples eating out in a fantasy sequence.

More Lessie lunch. *Devil's got their tongue!*

A young woman is slowly possessed and seduced by Satan. She travels from gentle kindness to depraved and slothful sex. Catherine Burgess becomes a woman who is obsessed by her cunt and her primeval sexual needs.

Katherine Burgess on the lavish bathroom set.

frankly, she is a disaster. First of all, while her face is attractive enough in a sort of superficial way, the rest of her body is really rather mediocre. Her breasts sag and are rather bulbous, her body make-up fails to hide the usual assortment of zits. Miss Burgess is further afflicted with a lack of acting ability and, much more serious, all of her sex scenes were done by stand-ins. I don't know what her problem was, but obviously she couldn't handle sex. Oh, she does moan and groan a lot, but the camera conveniently pulls away when she has to get serious. That's when some poor nameless bimbo has to step in for her. A great deal of screen time is spent on looking at Miss Burgess looking at herself in a big, bad mirror. The big, bad mirror seduces her first by voice, then by the ubiquitous presence of Jamie Gillis.

Jamie is the only saving grace of the mirror sequence. He is believable as a Satan—indeed, the more one see of him, the better actor he becomes.

If Hollywood doesn't soon pick up on Gillis, they are going to miss out on a genuine talent.

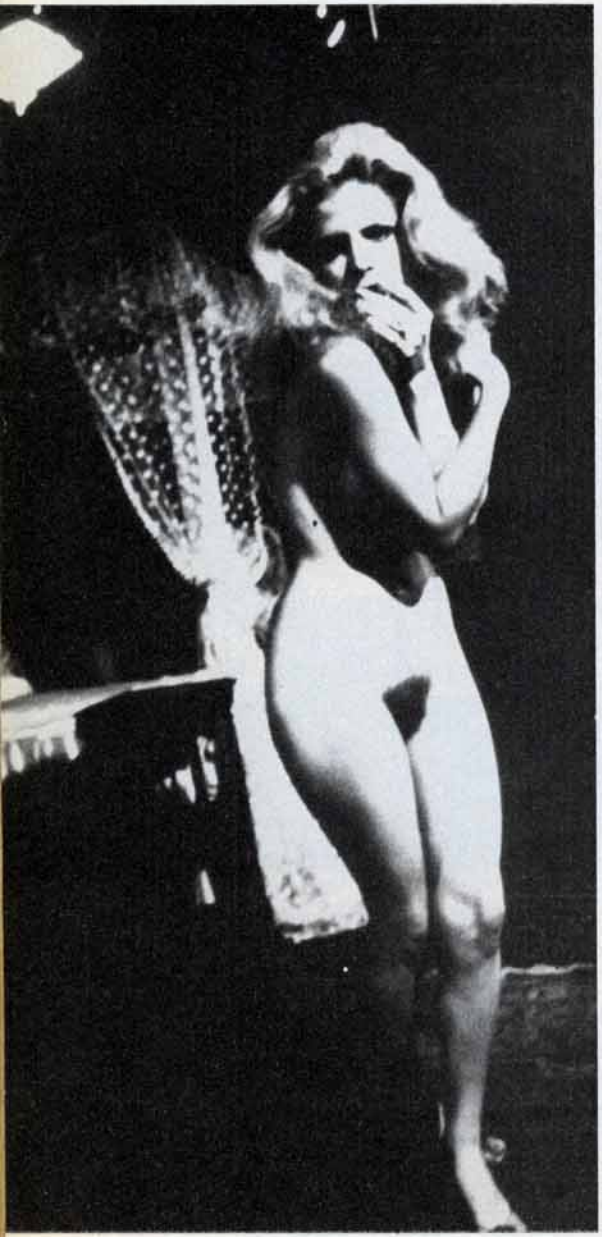
Terri Hall, Al Levitsky, Kim Pope and the usual assortment of porn regulars decorate the rest of the film and they give their usual performance—that is to say they fuck and come on cue. When Middleton takes the cast into fantasy, the film becomes more interesting. He knows how to use a camera and his color and frames are very good.

However, the climax of the film is very, very tacky. Catherine is finally confronted by the Devil (Jamie) and he proceeds to rape her anally. The inserts of someone else being the recipient of Jamie's wonder cock are so obvious that it sickens one. I realize that the film will be released in two versions—soft and hard—but the lead should at least participate in the sex scenes.

Catherine's daughter is played by a very lovely young lass by the name of Laura Nicholson and, for legal reasons, she remains clothed and innocent throughout the picture. She still manages to be terribly erotic and sensual—not an easy task for any actor, especially a young one.

Overall, the film has to qualify as a success. There is enough decent sex to

A woman possessed by Satan is a very appealing thing. To have a young, helpless woman become a slave to a savage, cruel master is a part of every man's fantasy. And there is no crueler master than the Devil.



Catherine admiring her body in the possessed mirror.

satisfy the porn buff, even though the lead is not a participant. But the important thing is that **Looking Glass** is shot with care and money; there is a semi-intelligent script and some members of the cast can actually act. If Middleton finds a lead who actually wants to fuck on screen, his next movie should be really worth seeing. ●

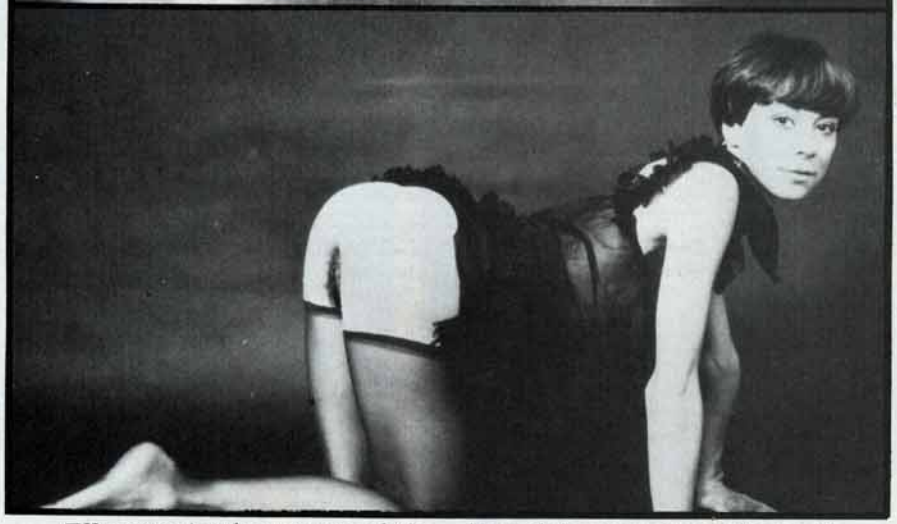
THE JOY OF LETTING GO

A high fashion model decides to make a porn film and the viewer is lucky enough to see her fuck and suck like a pro of long standing! "The Joy of Letting Go" is beautiful, sensual and good for the eye and the groin!



■ How many times have you seen a high-fashion model cavorting down a runway, showing off some Paris creation and her lean, luscious body as well? And how many times have you dreamed of seeing her long, lean body in a fuck film? Well, fellow porno fans, your wait is over! Dominique St. Pierre, who was a star Halston, Burrows and Courreges model, has made her porno debut in **The Joy of Letting Go.** The film is produced by Summer Brown (who also produced the by-now classic **China Girl**). She had this to say about her sensational discovery: "When she walked in the door, I thought she had the wrong office. I interview beautiful women every day of the week, but none with Dominique's sophisticated

elegance and shy vulnerability."

The Joy of Letting Go is about such a woman—Michele Martine, a beautiful, rich, sophisticated but sexually naive woman. Her husband is more interested in business than his stunning wife. He showers her with jewels and cars, but ignores her love box. Silly man! The husband, incidentally, is played by Leslie Hughes, who is known to all of America as the "Marlboro Man." He does not have any hardcore sequences, though. Maybe he's shy.

Anyway, Michele is bored to death and spends a lot of her time in a health spa tuning her phenomenal body to a finer pitch. Her husband leaves for a three day trip to the Orient and here the plot becomes a little scratchy. Michele is introduced to a high-class pimp through an acquaintance at the spa and, because she is so bored, decides to become part of his stable, albeit temporarily.

Her first trick is a fellow Frenchman in

a hotel room and Michele proves that she is certainly good to look at, but she is a little backward sexually. Her pimp, who is called Dancer (definitely a misnomer), spends the entire film in a catatonic coma and his attempts at acting are enough to make one weep for Martha Raye. Anyway, Michele needs to be "instructed" and Dancer arranges for her to have a lesbian encounter with another girl from his stable, Topaz. According to the credits, Topaz is of exotic Far Eastern stock and is an expert at techniques as yet unknown here in the good old USA. Miss Topaz, to be charitable, is semi-exotic; as far as her techniques go, she is of the "let's get the lesbian scene over with and get to the coke" variety.

Mind you, the photography is very nice and the two ladies are good to look at, so all is not lost. Michele now gets her head, to coin a phrase, and decides to do some free lance fucking. She seduces a gas station attendant in the little girls' room. The high point of the scene is rooting for the poor bastard to get it up. Michele's attempts at a blow job are little help and he has to settle for a hand job. He comes, and a general sigh of relief can be heard from everyone in the audience—and the film crew as well, I am sure. Next, Michele goes through a whole expensive clothes and hairdo number and ends up with a kinky duo in a trailer court. While Michele is making with the wife on the bed, hubby is chained to the wall and the highlight of the film is when he comes—unaided—and his cum spurts to a record four feet. He's got a grid by his feet to measure the length!

"The Joy of Letting Go" is a film for the sophisticated porn fan. It heats the eye and the crotch with delights that are rare to find. The movie leaves one with a bulge and an unholy desire to ravish Dominique St. Pierre.

The scene is funny—an element that is all too often missing from porn, with some exceptions, thank God.

Michele next jerks off some creep in a porno theatre—where is she when we need her?

The movie has a running joke—Michele's bodyguard is kidnapped by Dancer so she can cavort unhindered. The bodyguard is tied up and kept company by two bimbos whose only job seems to be keeping the bodyguard up and trying to get him off. They finally succeed and the bodyguard seems relieved.

At the end of Michele's three days, Dancer gives her the privilege of sampling his own wonderful body and the camera cuts away and we are left with nothing but ire at the cutting of the film. But, then again, if Dancer is as good at fucking as he is at acting, we missed nothing.

Overall, the good of the film outweighs the bad—Dominique St. Pierre's body is worth the price of admission and it is very prettily photographed.

Certainly a cut above the normal porn film — in spite of its shortcomings. ●

"I just love being an exhibitionist," whispers decadent Debra. "When a man looks lustfully at me, I feel like showing him my cunt and telling him to fuck me right there, even if it's in the street, in a theatre or at the museum." Debra just adores freaking people out. The more people around, the hornier she gets and the more she'll want to show. But don't think that's bad. How do you think we found her!

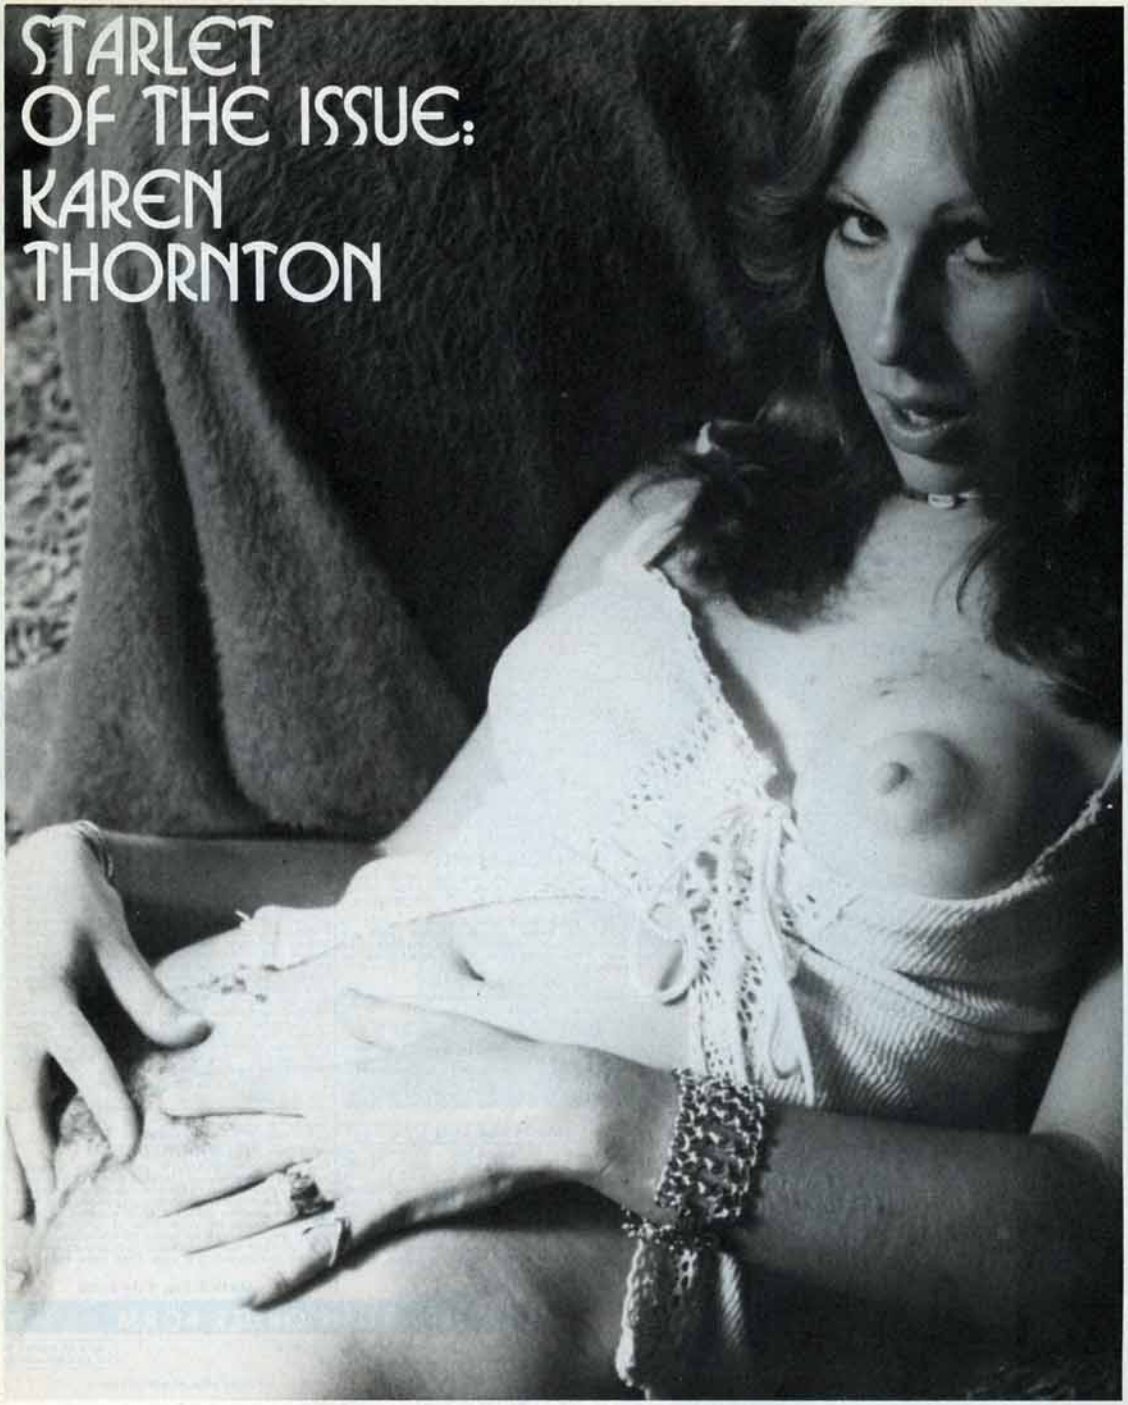
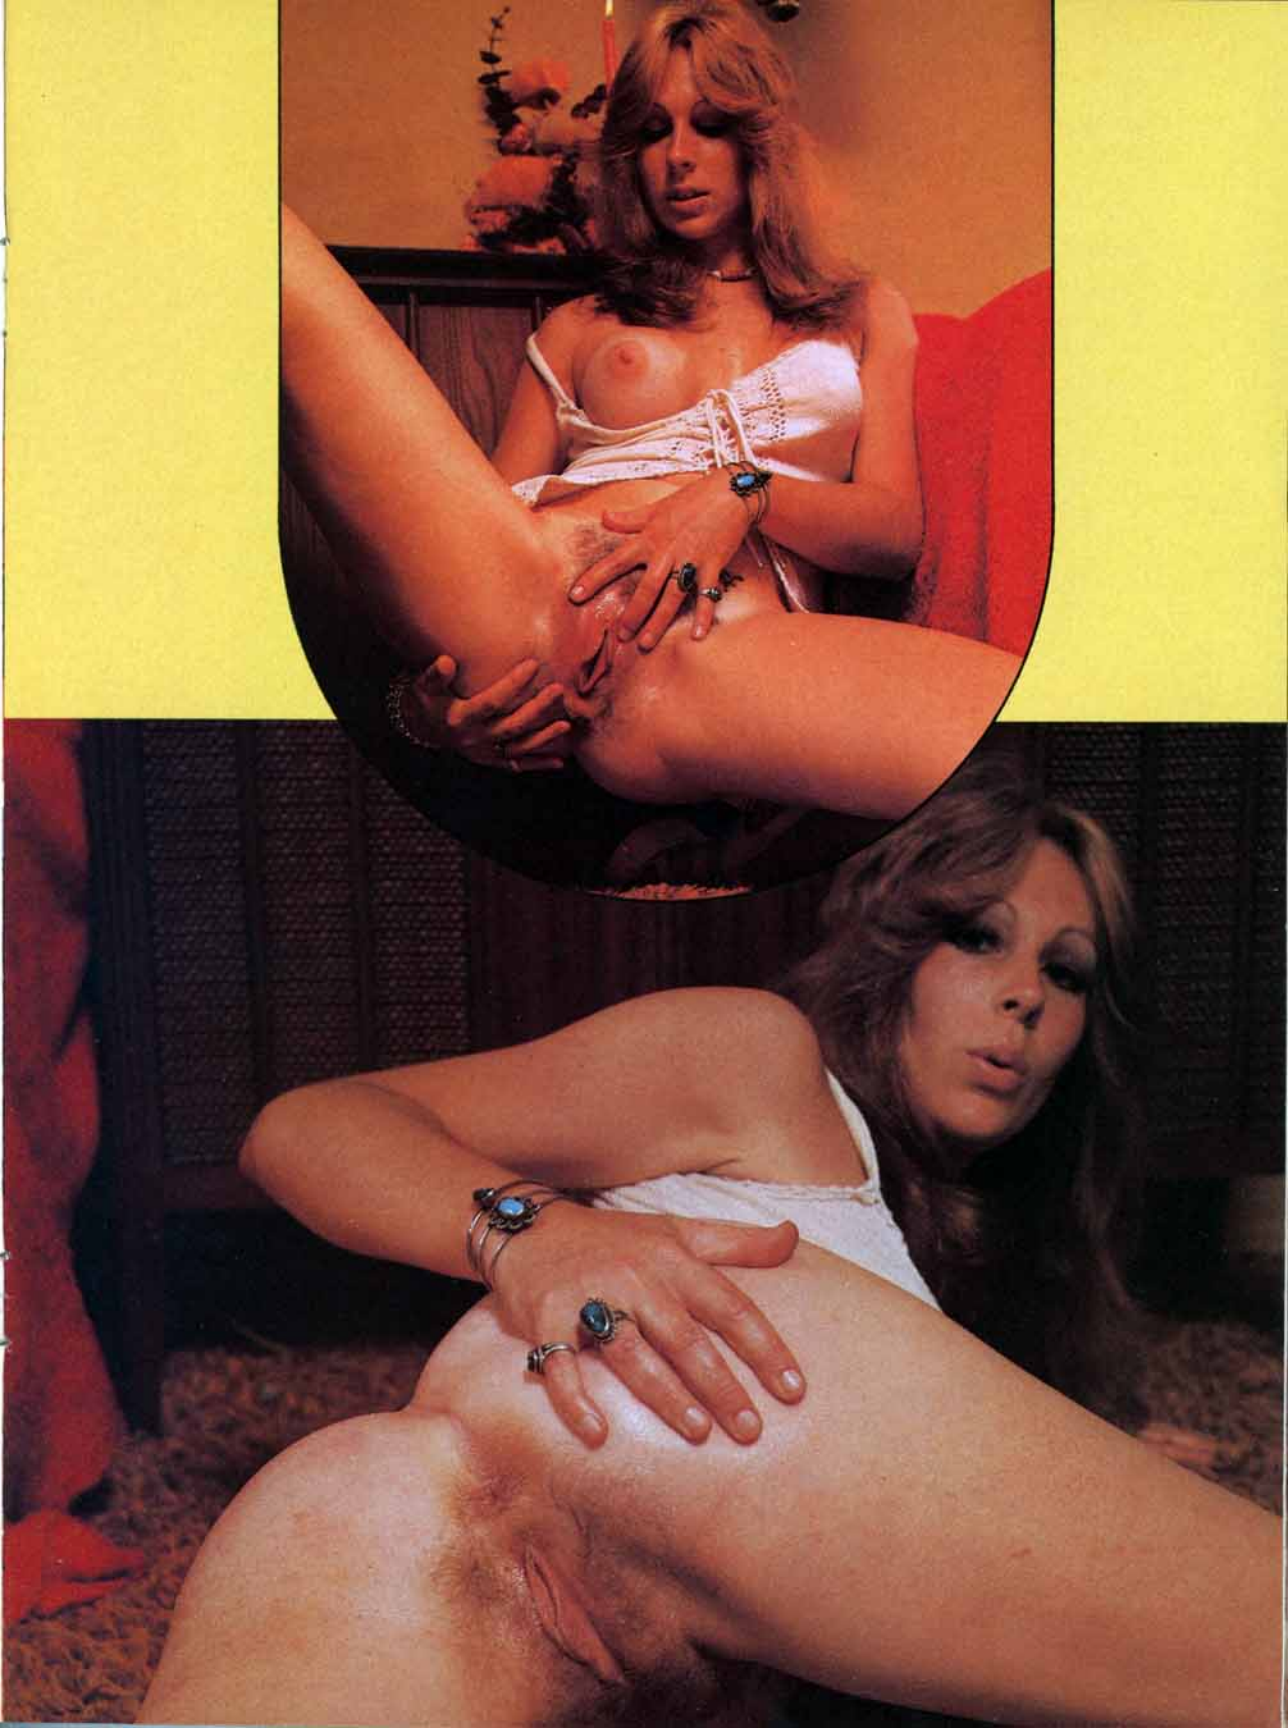
STARLET OF THE ISSUE: KAREN THORNTON



Karen Thronton is a very unique porn starlet.
"I have an insatiable cunt. No matter how many times it's been
fucked and filled during a day's shooting, it still
continues to spurt and ache when I get home at night.
I have to masturbate constantly just so I can
stay ahead of my horny slit's desires.
It gets to a point where my fingers need a rest!"



I can never keep a boyfriend longer than a couple of days. They get worn out so quickly, and then they are no longer fun to have around the house. I've tried dildos, cucumbers and anything else I can get my hands on, but nothing can take the place of good meat. My fingers are nice, but I'm getting blisters. What is a poor girl to do? Any suggestions from Flick readers would be appreciated. I'm desperate.

Helen "Anytime" Madigan will fuck and suck and giggle at a drop of a hat. Her advice is to open wide and keep coming!

MOVING WITH HELEN AN

■ Since porn has come out of the closet, so to speak, a major change has occurred in the business: nowadays you're just as likely to find a suburban housewife or a young advertising executive starring in a film as the old, familiar names. How does this affect you, as established performers, now having to work with amateurs?

HELEN: I love it! All those beautiful new bodies. Really, new people have opened things up just when the public was getting tired of seeing the same old faces.

MARC: Not to mention us—we were getting pretty tired of fucking the same old bodies, too!

HELEN: I think it's a good thing because it brings the people closer to the films, you know, especially if they're **in** them! How much closer can you get?

MARC: Yeah, but on the other hand it's defeating what we've been fighting for: better acting. Now you're got a bunch of amateurs bringing the films back to **that** level—just when we were making some headway.

HELEN: But, Marc, honey, how many of the old kids, even the big names, were really actors? Name me any. And, by the way, if you're looking for "headway," I'll give you some. . . .

MARC: That's **head,** Helen, you beautiful fucking dummy. And there **are** some very good actors in porn: Jamie Gillis is probably the best male actor, since he was originally a Shakespearean actor, and Georgina Spelvin used to be on Broadway as the understudy for some big star—and besides, she **looks** like Shirley MacLaine, right?

HELEN: That's only two . . . .

MARC: And me!

HELEN: Marc, you're an **entertainer.** . . .

MARC: You're right, I never did claim to be an actor. Though I must have **some** talent when I'm smiling for the camera and eatin' out a filthy pussy that hasn't been washed for weeks.

HELEN: Well, I still like the idea of new people in the films, whether they can act or not.

MARC: That's just because you want a new cock to fuck and suck. . . .

HELEN: Umm . . . yeah! Why not? Especially when I'm getting **paid** for the same thing I'd be doing every night anyway—partying, looking for new bodies to test. . . .

MARC: You mean **taste,** Helen.

HELEN: Oooh . . . yeah! You know, I've already met some groovy guys on film

Marc has 10½ inches of rampaging cock ready to defile and violate any throbbing slit. His experience in meat handling qualifies him as a no-holds barred expert!

sets that I probably wouldn't have met otherwise. There's something about the movies that attracts them . . . I guess they just get a big kick out of the whole thing.

MARC: Well, they're sure not doing it for the money! A lot of these people make that kind of money—a hundred or a hundred and fifty—every day in an office. We get to make it about once a month, in a film, right? But how do you find it fucking amateurs like that, Helen?

HELEN: Baby, they ain't no amateurs when it comes to fucking! I really dig it, you know; they're loose and . . . well, not bored with the old fuck-and-suck routine like the regular guys. And you know a funny thing, you can do a lot of new things with them that they're not used to.

MARC: Right, like ass-fucking the chicks—most of them never even did it before. And all the regular girls must have pretty sore assholes by now.

HELEN: Except me!

MARC: That's right, my darling, you're a virgin in the ass . . . at least on the screen.

HELEN: Marc!

MARC: OK, I'll be a gentleman and leave it at that. But doesn't it bother you that these new people don't know anything about lights and camera angles, you know, they fuck up a lot of good shots because they're amateurs.

HELEN: Yeah, I've had that happen a few times, but they just re-shoot the scene—unless, of course, it's a come shot!

MARC: Well, things haven't changed there: you still get canned if you blow a come shot.

HELEN: I don't know what you mean . . . I **blow** every come shot I do!

MARC: Helen, you're as dumb as a fox. . . .

HELEN: Umm . . . and I give better head, too.

MARC: Well I can't imagine stickin' my dick in a fox's mouth. . . .

HELEN: I don't know, you've stuck it in some pretty strange places.

MARC: You're right there—it's even been in your Lincoln Tunnel.

HELEN: Marc!

MARC: Helen.

HELEN: What were we talking about?

MARC: I don't know, just say goodbye, Helen.

HELEN: Goodbye Helen. ●

Jamie Gillis finding his long lost twin sister — note the twin tattoo's.

Little Orphan Sammy

A film dedicated to those values which have kept America great throughout the years: Money, sex, greed, politics and humor!

■Since every one in the country has contributed in some small way to the Bicentennial of our country, it should be no surprise to anyone that porn, too, has joined the bandwagon and made a film celebrating the "American Way!"

LITTLE ORPHAN SAMMY is a light-hearted, though blatant, spoof of a major cartoon character. It is very much a tongue-in-cheek (oh, that cheek!) slapstick comedy type of porn—and surprisingly it comes off very well. The plot revolves around Little Sammy, Hata Mari and Daddy Sawbucks, garbage, horny chauffeurs, etc., etc., etc. In other words, the plot serves only as window dressing for the fucking and sucking.

Jennifer Welles plays Hata Mari and she steals the picture from a host of accomplished scene-stealers. Jennifer mugs and clowns and fucks her way through the film, exhibiting a good sense of timing and a fair-to-middling blow-job. To be perfectly honest, Jennifer is a damned good actress and she makes do with what material she has—a true pro.

Little Sammy is played by newcomer Rocky Millstone. He is visually perfect for the part—golden rings of hair, a tight teenage body and a squeeky voice. However, there is one small problem—Sammy has trouble throughout the film in getting it up. Good camera work and editing have made his problem appear very little, but one still wonders about Sammy's proclivities. After all, look at the line-up of luscious women he has to take on.

Nicki Hilton, Helen Madigan, Sarah Nicholson, C.J. Laing, Kim Pope, Andrea True and, of course, Jennifer Welles. However, the director of the film was

kind to the above mentioned ladies and provided them with the sure-fire cocks of Jamie Gillis and Al Levitsky to keep their little muscle pies twitching and heaving. Jamie plays a moronic chauffeur by the name of Da and the movie abounds in Da jokes, to wit:

Jennifer: Da, go to that room!
Da: Da, do!
Jennifer: Do Da! etc., etc., etc.

Al plays a cable-puller for Ma Bell who wanders in and out of the picture, getting blown here, there and everywhere. Obvious comic relief.

Andrea True plays a belly dancer with her usual flair and style—it seems a pity, but porn is going to lose Andrea. Her first album of songs is doing so well that she may just up and leave porn behind. Ah, well, we'll always have a hard spot in our crotches for Andrea. I have

Jennifer Welles and Jamie Gillis are two of the finest and funniest actors in porn today, and "Little Orphan Sammy" proves it!

ignored the plot for the very simple reason that, at best, it is sketchy and merely serves to set up the sex, of which there is plenty of variety and interest to everyone out there breathing hard. We get to see C.J. Laing do her roto-rooter trick (or how I learned to swallow cock and love it), Jamie Gillis fucking everything and everybody in sight, the obligatory lesbian sequences and, of course, Jennifer playing the helpless maiden raped by the desert sheik (Jamie).

There is fantasy and wit throughout the movie, the camera work is excellent and the director, Arlo Schiffin, has made judicious use of cartoons, inserts and other visual effects throughout the film.

I think that **Little Orphan Sammy** is a very original and very funny film, well worth seeing by the whole family.

After all, it's the American way! ●

The literal meaning of Laura is: "a winner, the victor, the one who comes out on top," and that's as apt a description of our succulent centerfold snatch as any you'll find. "I was the best in everything I did," Laura laughed, "Except that everything I did was not exactly what most girls in high school and college got graded for. I mean, cocksucking wasn't exactly what the teachers had in mind when they told me to work on my orals! I liked my version better (and so did they when I demonstrated my special talents for them after class). As far as I'm concerned, the best way to get ahead is to give head!"

"*Good* head! Not that half-hearted garbage that virgins and amateurs put out. I mean, they're not really *sucking* so much as they are jerking the guy off with their hands. All they're doing is holding the heads in their mouths. Believe me, that's not the way to blow a guy. You want to suck on him so that he thinks you've blown his brains out, too. Blow the top of his head right off. *Both* heads! Now that's a blowjob. And that isn't all I was good at. Man, I got A's in French, Greek and Mideastern cultures—not to mention above passing grades in arts and crafts, particularly leather—if you know what I mean!!!"

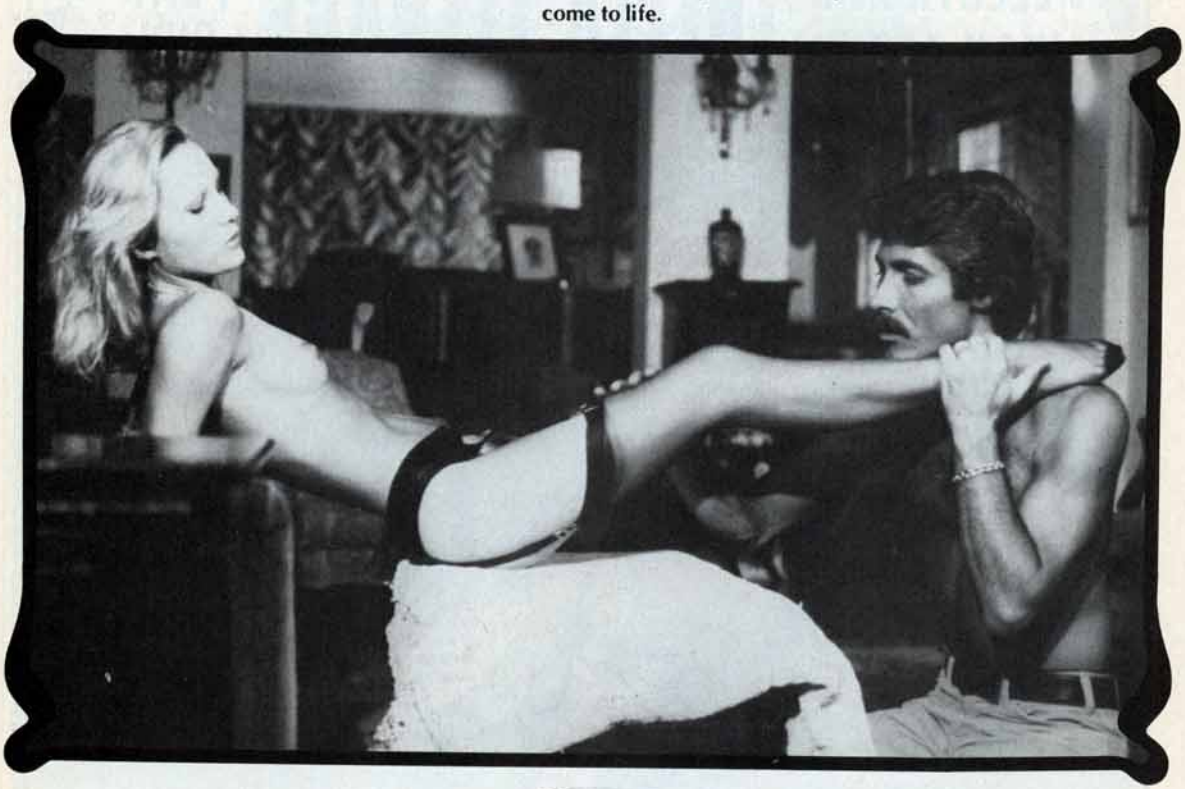
JAIL BAIT

**Tina Lynn has a body
that is so fucking incredible it leaves the viewer stunned.
Her slit begs
to be ravished and used; she is every man's fantasy
come to life.**



■ **JAILBAIT** is the latest Carter Stevens film. The man who brought to the porn world such hits as **ROLLERBABIES** and **TEENAGE TWINS** has outdone himself. **JAILBAIT** introduces to the porn world a lady who is guaranteed instant stardom and fame: Tina Lynn. Tina is a delicious mouthful of Austrian pastry, her body is enough to make a grown man cry and reach for the baby oil. The plot of the film deals with a very young girl (Tina) seducing an older man (Wade Nichols) and then using pictures from that affair to blackmail the rich, older man. Since Tina looks about fourteen, the possibilities for those among the porn world who like young stuff are outrageous.

To see Tina's young, virgin, blonde slit violated by Wade's rampant cock is one of the great thrills of this year's films. Tina has also had ballet training and she

Tina's legs are so supple she is an acrobat in bed.

Wade tasting Tina's teeny bush.

The touch of young pussy is sublime.

Tina and Wade after a hard day of fucking.

The gal with the longest lips in the world.

Sharon Mitchell in a lovely lesbian sequence.

FLICK readers are very lucky, for they are witnessing the birth of a major star. Tina Lynn has a body that was designed to titillate and give pleasure to everyone who looks at it. Her supple and willing nature allows the full range of sexual fantasies to come to life. She is a pervert's delight and a man's heartache.

can get her body into positions that would make the most jaded porn editor come all over the ceiling. In addition to everything else, Tina can (and does) act rather well, an accomplishment not shared by all of her colleagues in the porn world.

Wade Nichols gives an excellent performance in and out of bed; he seems to have made an excellent name for himself in a very short time.

Sharon Mitchell, another Carter Stevens discovery, is better than ever—her growth as an actress and as a personality is amazing. In addition, Sharon possesses one of the great bodies in porn. She really enjoys her work and adds spice to an already blazingly hot film. Eric Edwards and Paula Morton have featured roles in the film and they perform in their usual professional style.

Tina playing S&M games with Wade.

The sets and the color are handled in the usual Carter Stevens fashion—which means, of course, that it is first class. The script and the casting are also superior, but we have come to expect that from Carter.

As shown in the Tina Lynn interview in this issue of **FLICK**, she is bright, straightforward and definitely a well-rounded actress who is going places in a hurry. The film is a **must** for everyone who enjoys porn. It certainly will change people's minds about the quality of porn films in general.

Tina Lynn is a superstar and all kudos go to Carter Stevens for finding her and utilizing her in such an excellent movie.

■Despite the current inundation of heaving tits and sloppy cunts filled with cum, X-rated movies have not always been a regular way of life, especially for the U.S., which still has enough of a Victorian heritage hanging around to curdle a million cocks a day. Porn as we know it has evolved over the years into a major industry. The barons of X-filmdom are often funny-looking fat men with Italian surnames who smoke five dollar cigars and ride in limousines. They know as much about a movie camera as whores know about chastity. But they make the bread and, unfortunately, in our happily money-crazed society, that seems to be one of the few constants of success.

But like all major industries, porn had to start somewhere. And the somewhere, without going too far back into ancient Indian or Chinese erotic arts, is usually considered France. The time when porn started to come out of the closet: the 1920s.

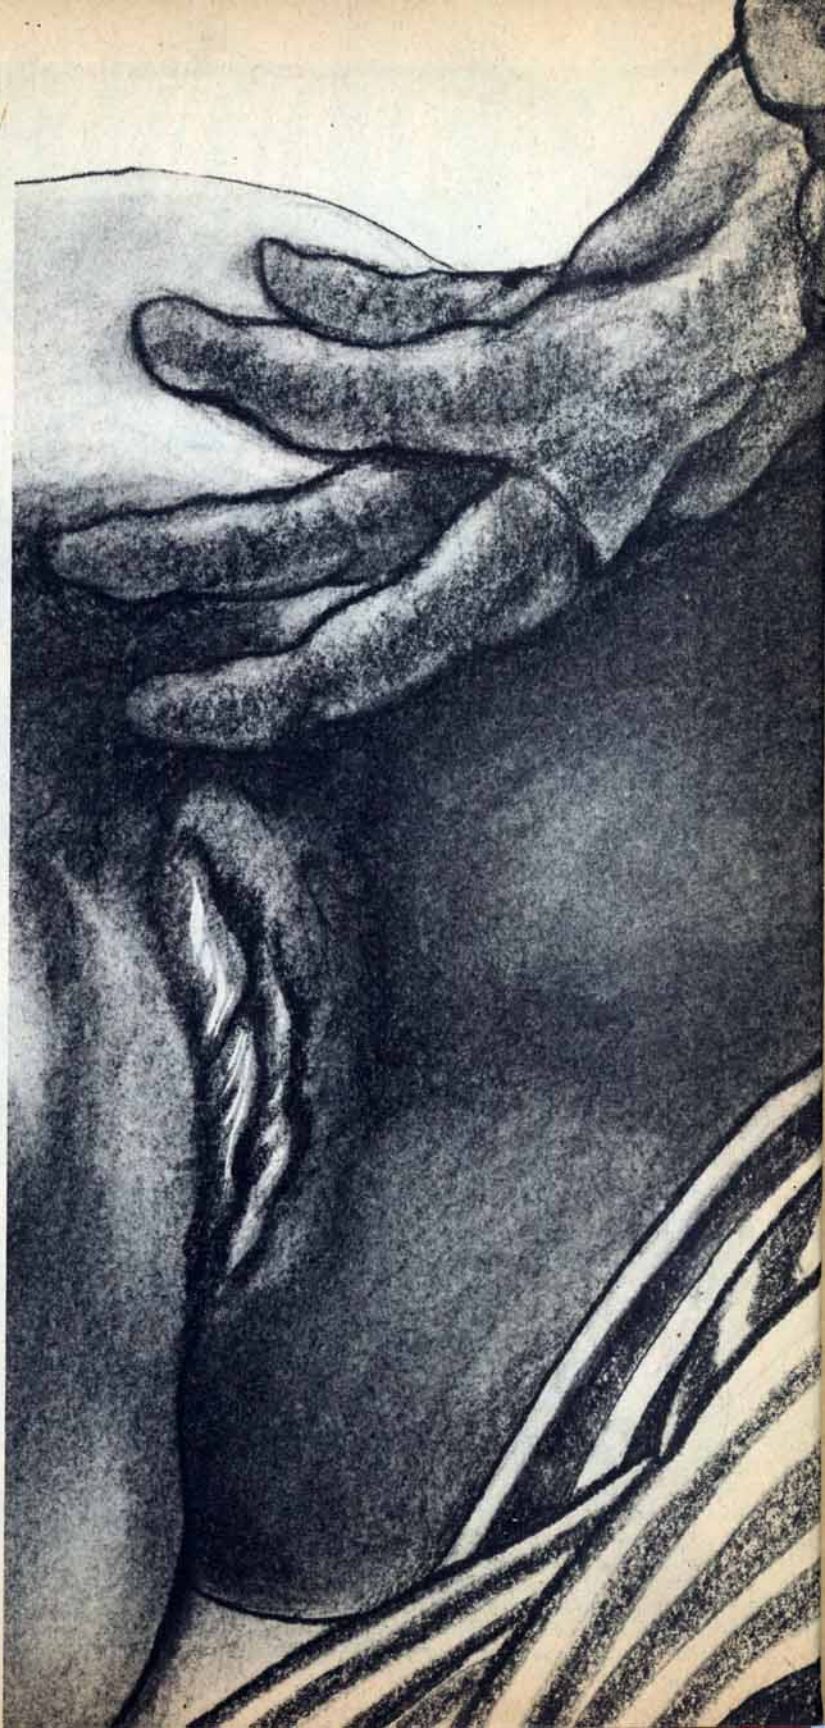
America was just entering the Roaring '20s. In reality, it wasn't all that free or all that available. Most sex-starved beaver-coated hep cats, who wanted to eat it instead of wear it, had to make do with porn—books, movies, posters, even playing cards. And the people who supplied such goodies often spoke with a French accent. Ah, that good old French spirit.

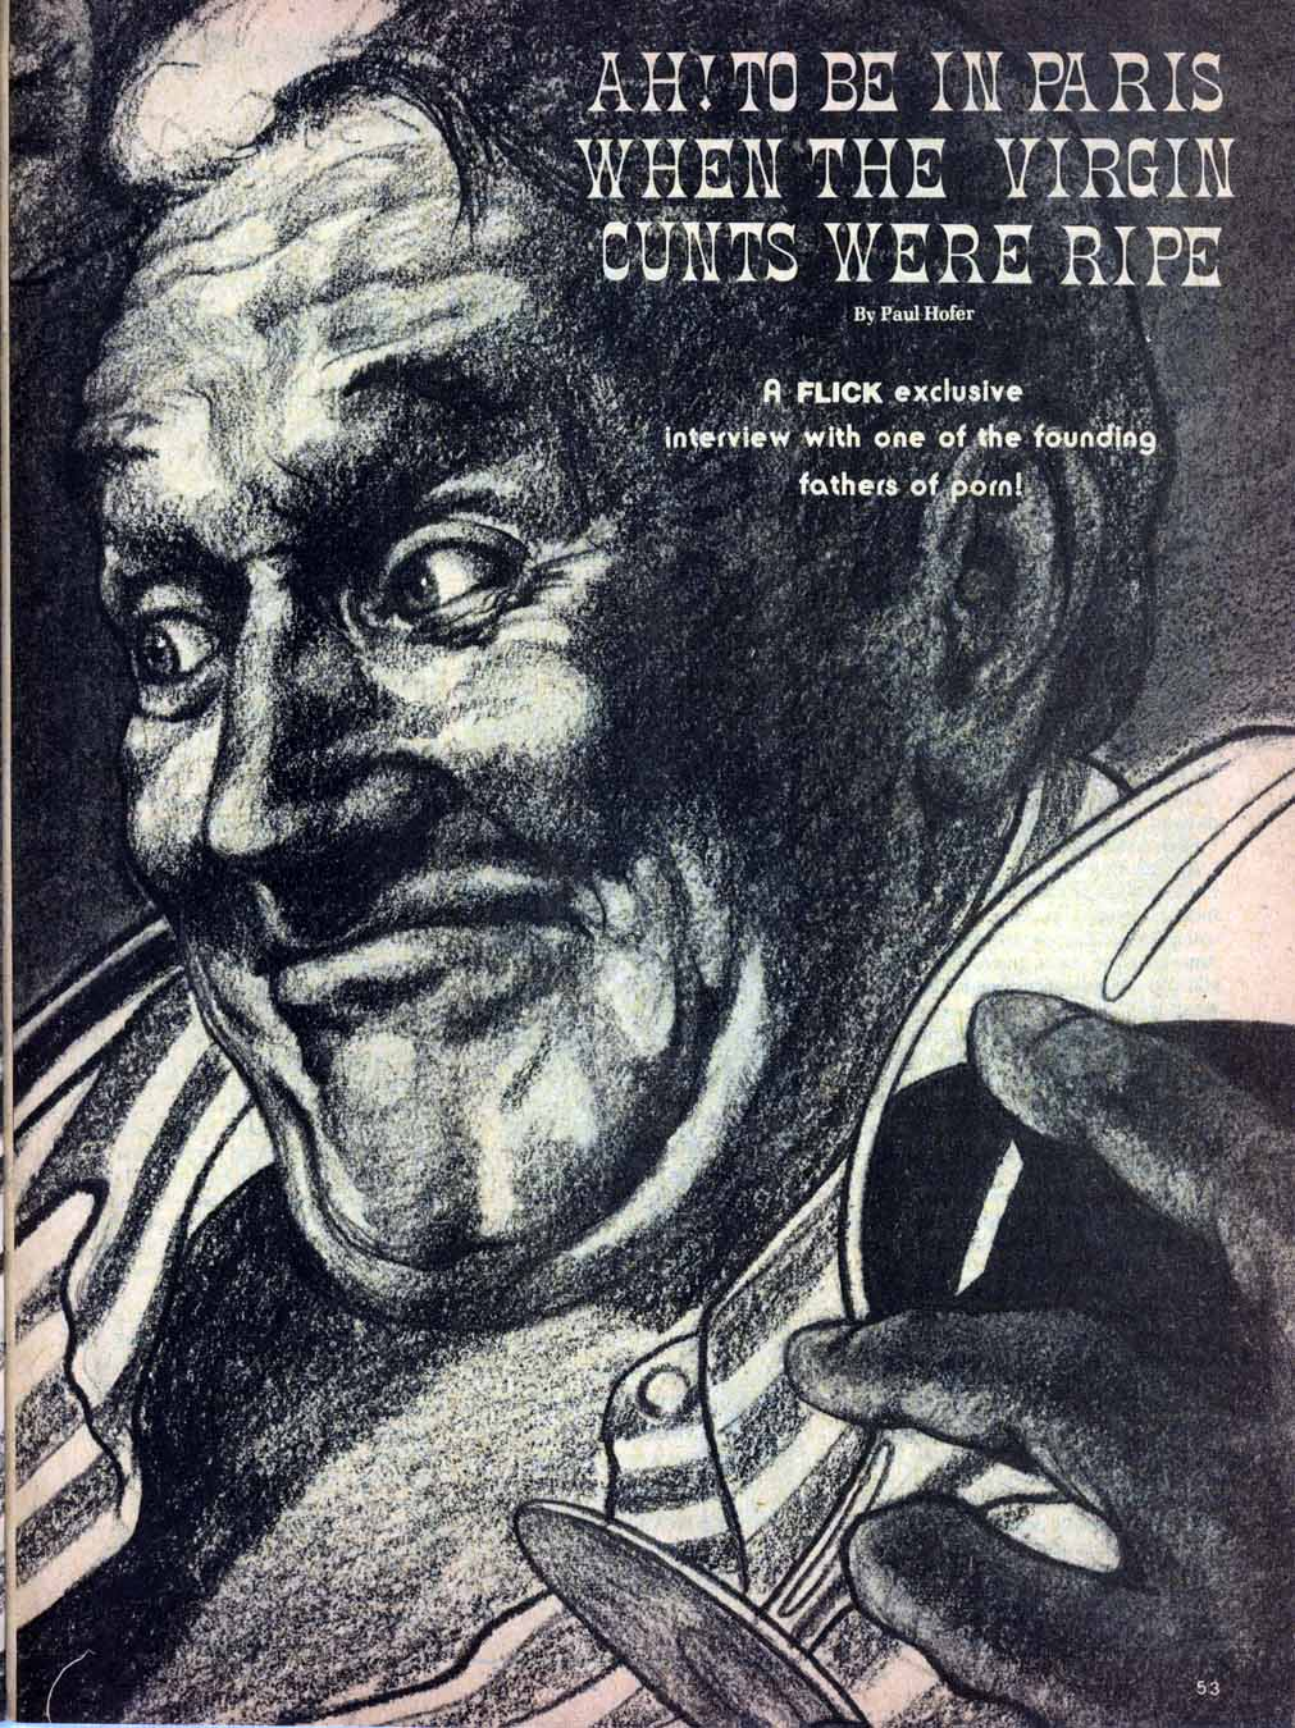
Porn then was not exactly the hyped business it is today. There were few big wheels involved. No accountants or tax specialists to defray costs. It was, first and foremost, a family operation. The filmmaker was often simply filming the action in his own bed. Might not have been as profitable, but it sure was a lot more fun! In order to catch the flavor of the porn of the period, we spoke with Jacques Coulmond, now a successful insurance salesman but, in 1920, one of the premiere producers of French erotica.

Flick: Jacques, how did you enter the porn business? After all, it wasn't exactly a mother's dream, even in France!

JC: Well, France was really quite far beyond anything that America could produce. The American pornographers were really stifled, which is why so little strictly American porn has survived from that period. Most of it was merely badly photographed girls showing their ankles. Well, not quite that tame, but you get the idea.

In France, though, fucking and sucking on postcards, magazines and even in private films was already pretty standard and actually quite boring. France had had a rich erotic past and was already looking for new areas of excitement. I just happened to have one of





AH! TO BE IN PARIS WHEN THE VIRGIN CUNTS WERE RIPE

By Paul Hofer

A FLICK exclusive interview with one of the founding fathers of porn!

AH! TO BE IN PARIS WHEN THE VIRGIN CUNTS WERE RIPE

the best looking women in Paris living with me at the time, and I thought it would be absolutely foolhardy not to make some profit from her beauty. So, I started taking photographs of her in the nude. Even though the French were used to such beautiful women posing with broom handles up their crotch and dogs licking their anus, Americans thought it was the freakiest thing they had even seen. A lot of American merchants started buying my postcards and photographs and bringing them home. When a lot of other Americans clamored for more, I had to produce. Without even trying, I became a pornographer!

Flick: Was the market as profitable then as it is now?

JC: Well, our costs were minimal. The shootings, at least what most of the others I knew did, were quite cheap since we used our women, our own homes and our own beds. If they wanted pictures of a man and woman, I would simply hire someone to take the pictures and I would crawl into the bed, too. I never thought it was so easy to be an actor!

Since the Americans were so horny, they were willing to pay a lot of money for just some photographs of my Yvette sucking me off, which, by the way, I enjoyed tremendously. It was not a difficult way to make a living!

Flick: Was America the prime market?

JC: America was a major market for the really tame stuff, just the straight fucking and sucking. But other countries in Europe were far beyond Americans in erotic taste. The English still had an uncommon urge for bandage, what with all the good times Victoria outlawed. They were still suffering from that morality bullshit on the surface, but underneath they were all getting their rocks off on good blood pictures, a lot of ropes and chains. They usually like two or three girls whipping each other, though they could get into some good stuff with just a man and woman, if the woman really had big tits and the man was really hung. Straight humping was pretty boring to them.

The German and the Dutch seemed to go for little boys and girls. In fact, the Germans especially like young boys; the younger the better. They also liked to see an older, **saftig** woman really sucking on a little boy's cock. The Dutch (and sometimes the Belgians) were really into big, well-hung males making those little thirteen-year old virginal chicks. It was considered especially kinky (and therefore eminently desirable) if the little girl was getting plowed in the asshole while she sucked on some other kid's little cock. They loved little kid's coming all over some girl's face, but it was hard to find a kid who could really come well and still was young enough to excite everyone.

Women in the 20's were a little shy . . . it took at least a half day of wining and dining to get them to fuck in front of a camera . . . One needed a bit of class and a strong stomach those days.

I must have fucked three thousand women in Paris alone . . . . Those were the days when a director really had to get into his work!

Flick: Were these mainly photographs or were you producing films, too?

JC: Films were produced at the same time we took the photographs, although America wasn't as ready for them. Even when they were panting the most for new stuff, they had to make like it was all in fun or something. The Americans would always try to make you believe that no one ever really came in their country. No one jerked off. And, of course, no one ever got a hardon looking at a photograph. A shame, really, that they were so fucking guilty about the whole thing.

Flick: Did you eventually have to graduate from the home-made films starring you and Yvette into more complex films with other people?

JC: I don't know whether we had to or not, but we did, mainly because it seemed like getting two or three more women and a couple more men in on the action would be a hell of a lot of fun. We tended to experiment a lot, especially since we knew that if the Americans couldn't handle it, we could always sell it to discriminating Frenchmen, especially if we featured animals, S&M (which America didn't even admit existed) and bondage.

Flick: Okay, we're curious as hell. What was a typical porno session like then?

JC: Well, it was remarkably different from what it is now. Now it's a business. Everything has to be done professionally, everyone has to be paid. Hell, there are even unions that demand fringe benefits for the chicks who just suck a cock all day!

Ah, but then it was a lot more fun. First of all, we never really came right out some morning and said, "Okay, today we're going to film a lot of fucking and sucking." What usually happened was this: Yvette and I would decide to have a few friends over. Now both of us had a lot of acquaintances, but it just so happened that the people we really liked being around the most were all beautiful. Yvette had a lot of men who were her lovers, all of them hung well, **naturellement**, and the women I knew were always ready for anything. If someone came to our house for dinner, they could usually count on the fact that after dinner we would all throw off our clothes and really get to know one another!

Making films was therefore really quite easy. None of the people were very shy. After dinner, we would all throw our clothes off and go into the living room where we set up a number of mattresses. Whoever really felt horny would just tap someone on the shoulder and the two of

FIVE LIBERATED COUPLES LET YOU INTO THEIR WORLD

By Peter Temple

■ Today's liberated couples come in all sizes, shapes, and types. No longer do they live in improvised communes in unpresentable sections of town that their parents wouldn't set foot in, nor sleep on mattresses set on the floor, wear clothing from Goodwill, nor keep somebody else's name on the mailbox to fool the bill collectors. Many of today's more liberated and wilder couples are—heaven help them—married; share Sears and Roebucks charge accounts and live in two-car suburbs with dishwashers.

The name of the game then obviously is that you can't name people as fast as you see them. The swingers often come on like the squares and the only thing for you to do is to sneak into their racy lives for a while, feel them out, and see how they tick.

The five couples that you will get to know in this article tick very well indeed. What they all have in common is an uncommon desire to express their own wild, uninhibited sex lives. They don't get foiled up in names and games. They aren't out to change the world, but just leave it feeling a little better for all of its problems. In other words, they live their own lives; and if you find yourself shocked by what they do, you're welcome to turn the page. Or you can go out and buy the Ladies Home Journal.

Robert and Vanessa Burnes (not actually their last name) live in one of the better bedroom suburbs in northern New Jersey. Robert is almost thirty, has a law degree from the Midwest and met Vanessa while he was still in the Service. I met them both while I was doing an assignment for another sex magazine, and they decided to answer an ad in a local paper under the headline: "sex researcher seeks interesting couples."

Both of them are exceedingly attractive. Vanessa is above average in height, has flame-red hair, green eyes, and lightly freckled skin. She has an excellent figure. Robert is the proverbially tall, dark and handsome, looking like a dashing Victorian army officer with his mustache. Cooking is one of their favorite hobbies, but few people would believe that one of their favorite sexual outlets is as delicious as they are.

"BANANAS, HORSES, COSTUMES AND AQUA LUNGS ADD UP TO DYNAMITE SEX!"

"We got into this," Robert told me, "when one day I couldn't keep my erection up. I think I had a bad cold; you know how that can fuck up your sex life. I had this new recipe for a salad with fruit in it and I decided to stick a banana up Vanessa's snatch. I had been saving one for the salad, so I just stuck it up there unpeeled. It was still a little green, hard and waxy—as new bananas often are. Vanessa just loved it. It sent her vagina to working like a tuned washing machine, gushing like I had never seen it. It really started making me wonder if bananas had something cocks didn't. I hope some of that banana's appeal was that I was working the other end of it; but really I'm not sure if bananas just don't have some kind of special appeal of their own.

"Then Vanessa decided she wanted me to peel it. Since it was still unripe, the inside was hard enough not to squish up inside her cunt. So I did it, sticking it up there slowly and just letting her own inner muscles do the rest of the work. In the meantime while the banana was churning around in her box, I moved around and put my cock in her mouth."

"You can imagine how excited I was licking on his cock while I had that banana inside of me," Vanessa chimed in.

"Did he finally get hard?" I asked.

"Oh, yes, I sucked hard enough on him, so that he achieved a really exciting erection." *(Continued on page 58)*

FIVE LIBERATED COUPLES LET YOU INTO THEIR WORLD

"Then what did you do?" I asked.

Robert answered, "I pulled the banana out of my lovely wife's cunt and it was covered with her delectable juices. I started sucking the juices off and gave her a bit of it to nibble on. She bit into it and gave it back to me and we ate on it for a while. Then I stuck the last inch or so of the banana up her pussy and started reaching in after it with my tongue. I played around in there with it, managed to eat little bits of it until I just sucked out the rest of it. It turned Vanessa on seven ways to Sunday."

"You can say that again," Vanessa agreed. "You could have scraped me off the ceiling. I just wanted to grab his cock and give it all I had."

"Did you?"

"No, I wouldn't let her," Robert said. "I just wanted to fuck her in the so-called normal fashion. I wasn't so much into oral sex then."

"My husband loves porn movies so much, nothing else gets him up!"

"But I gather that you have changed your sexual attitudes since then?"

"Oh certainly," he admitted. "We now do a lot of things with fruit, creams and sex. One of my favorites is to cover Vanessa's snatch with everything I can that's yummy."

"He likes canned pineapples, soft papayas and very ripe bananas—with gobs of whipped cream over that."

"Sounds great to me," I said.

"Yes, sure is," Robert agreed. "Then I just eat it all out, getting my mouth and tongue deeper into it."

"What does Vanessa do while you're doing all that?"

"She does the same thing," he answered, "only from the other direction. She likes sucking on my cock when it's covered with soft fruit blends. We use our Waring blender for it. Sometimes I fuck her with a banana or even a mango while she's eating me from the other side."

"Have you ever tried inviting anyone else for this special feed?" I asked.

"We haven't yet," Vanessa said. "But I have my eye on one of our neighbors. He's a bachelor and I know he's up for anything, even one of our fruit salads."

"Maybe he'd like it in the ass with a banana," Robert interjected, a wicked gleam in his eye that might have been jealousy. "It really doesn't bother me too much. If we can invite one of our male neighbors, I also know some female ones."

"Well I've heard that the more people you cook for, the better it is," I added and decided to take them up on their next invitation to dinner.

Edith and Warren live on the Upper East Side of Manhattan. He is a corporate accountant; she an advertising executive. They are both rather short, dark, and well groomed. They look successful, wear expensive clothes, have health club bodies and year-round tans. They have both been into porno movies for the last six years.

"When we got into porno," Warren explained, "it was still pretty much a dirty word. The first ones I saw were pretty primitive, but I thought that porn was interesting to me. I started collecting the movies and eventually even making them and backing them."

"Have you backed any successful ones?" I asked.

"Yes, but for tax reasons I wouldn't dare tell you. I'm sort of paranoid about that. One of the good things about porn is that it is very hard for the tax man to catch up with you. Nowadays the tax guys get on to you if you find a nickel in a telephone booth."

"Gosh," Edith said, "Why don't you cut out all the CPA bullshit and just tell Peter you really dig porno movies because they really turn you on?"

"I love doing it on horseback, I can always fantasize about the size of the horse's dong!"

"I figured he probably guessed that."

"How is that?" I asked. Sometimes I specialize in leading questions.

"He just loves to fuck with porn on," Edith explained. "That's why we set up a special viewing room with beds in our apartment. Warren has one of those projectors that practically jerks itself off. Once you put the film in, it threads itself automatically and even has an orgasm at the end of the reel."

"It should. It costs enough."

"Are there any porno plots you especially like?" I ask.

"All of them," Edith answered, "as long as there is enough fucking in them."

"The way she talks," Warren interjected, "you'd think she had virgin eyes. Actually I think porno movies have as much place in your home as travel movies. We've had one of our film-maker friends film us while we were screwing and believe me, it was really instructive."

"He also gets off on it," Edie said.

"Is there anything wrong with that?" he asked.

"I'm not complaining, just joking." She went over and kissed him.

"Believe me," he assures me, "her suck is better than her bite." Warren took out a dark, thin cigar from an Italian leather pouch. I wondered if his cock resembled that: thin, dark, always tanned. "By the way," Warren said, "why don't you come up some night and watch our movies. We like having friends over and sometimes the audience even outdoes what they do on the screen."

"My wife loves to dress up as a nun, you should see what penance I impose on her!"

"Sometimes?" Edie asked. "What do you mean by *sometimes?*"

Sam and Joan Cargill got into costume sex in the late sixties when costumes became as respectable as they have been in this country since the Boston Tea Party. They are both blonde, all-American-type people. They live in Nebraska and I met them in a bar here in New York while they were at a Lion's convention. Both seemed rather shy and closed-mouthed but did talk about themselves once we warmed up to each other and they had had several peach daquiris.

I asked Sam and his wife how they had become involved in the dressing up scene.

"Dressing up," Sam said, "gives you a chance to experiment. I know people don't like to believe it, but a lot of sex is plain acting. By getting into defferent costumes, you allow yourself to get into different and new roles."

"That's true," Joan agreed.

"Do you often do a Tarzan and Jane kind of thing?" I asked, "or do you have other characters you dress as?"

"We do a lot of things," Sam answered. "Dressing up is very liberating."

"That's true," Joan agreed, again.

"What sort of costume do you like the best?" I asked. *(Continued on page 60)*

FIVE LIBERATED COUPLES

(Continued from page 58)

"We like all sorts of things," Sam said. "Joan once got up in a hula dancer thing; you know, grass skirt, bare bosomed—that sort of thing. Then I just wore something around my middle. It hardly covered my . . . thing. It just dangled down there, you know what I mean. Then Joan started doing this very suggestive hula dancing, and my thing started getting harder and harder. It crept out of that sarong thing I was wearing. I grabbed Joan by the waist. Then I got down on my knees, like she was the Queen of the islands, and parted her grass skirt. She wasn't wearing a thing under her skirt and I started sticking my tongue into her . . . thing. She was really ready for it. Her . . . thing . . . got all gooy and juicy."

"And then what did you do?" I asked.

"I fucked the living daylights out of her," Sam said.

Ilene and Jerry are not married; they live in a luxury building where the doorman does not care that there are two names on their door. Ilene, a statuesque blonde Southern belle, and Jerry, a dark Italian from the Bronx who's worked his way up the Wall Street ladder, seem a rather odd couple. But they do have several common interests, including skin diving which they do on vacations and weekends.

"We discovered how fabulous underwater sex was while we were vacationing in the Bahamas," Jerry told me. I was invited to their house for cocktails.

"I jus' love it," Ilene said, in her warm thick Southern accent.

"The skin diving or the sex?"

"Both of them, fa sure," she answered.

"Doesn't it get a little difficult in a rubber suit?" I asked.

"Not at awl," she said, "we jus' take em off."

"In warm water all you need are your tanks and masks, " Jerry added.

"That must make kissing a little difficult," I observed.

"That's true," Jerry said, "but in the water the tanks weigh next to nothing and you can get into some extremely pleasant sexual positions. Warm water is such a turn on anyway. With Ilene I always want to get to groping as soon as I get into it.

"Sure," Jerry begins. "It just happens that our building comes with huge sunken tubs. This place isn't cheap so they have to give you something for the bread. One of our favorite things to do is to get greased up with massage oil and just go to it. We fill the bath up; it's wet, warm, and great for fucking. I don't understand why more people don't do it. We have invited a few other couples over to try our bath out, so sometimes it gets very crowded in there. One of my friends, a psychologist, says that fucking in our bathtub reminds him of going back to the womb."

"The womb, honey?" Ilene caught the remark. "Whaa, I nevah thought about that. . ."

"Baby, you don't have to think at all," Jerry said.

A few minutes later, as I was preparing to leave, I heard the water in the bath start running.

Shiela and Bert are horse fans. They live in Bucks County, in rural Pennsylvania where I met them during a relaxing country weekend last summer. They both have country backgrounds and had no intentions of moving into the city when they got married. On their place in Bucks County they keep five horses, including a Palomino that is pure show stock. His name is Quicksilver and he is Shiela's mount in more ways than one.

"Have you ever wanted to be fucked by a horse?" I asked Shiela while the three of us were out riding one afternoon.

"Sure, every woman does who's ever loved horses. Frankly though, I think Quicksilver is built a little on the big side for me, but Bert and I have fucked while we were both on him."

"How was that?" I asked.

"Too good to be true!" Bert shouted. "You never tried anything until you've tried fucking on a horse."

"No saddle sores?"

"Not in that part of the saddle," Shiela said. "My ass doesn't get quite as sore as my pussy. All that rubbing and bumping does begin to get to me, but it's usually a few days before I feel it. It's worth every bit of it."

"What gave you the idea to do it?"

"It just happened," Bert said, trailing along behind us. "One day we're out riding and I wasn't wearing anything under my levis. I got so turned on that I just stopped my horse, grabbed a hold of Shiela's, and made Quicksilver stop. Then I grabbed her and we just did it under the first cump of bushes I could find. It was so exciting that we decided to try it while we were still mounted. So both jumped back on top of Quicksilver, Shiela facing me, and we started screwing."

"Have you tried it in various positions?"

"Lots of them. There's a lot of open country around that gets bigger once you get off the roads and get it by horseback. So we've had room to fuck several different ways while we were still moving on a horse's back. I've even eaten Shiela while she was sitting on my shoulders. Almost ran into a post that time though."

"What does Quicksilver think about all this?"

"I don't think he minds the weight," Shiela explained. "Actually, I think it gets him pretty excited. Horses can smell women when their sex organs get hot. They can certainly smell other horses when they get that way. I just wish he didn't have such a huge cock. Although I've heard that Catherine the Great loved to be fucked by a horse."

"I've heard that was the death of her," I said.

"There are worse ways to go," Shiela mused on the thought.

"I guess there are, but according to what I heard, they had to shoot Catherine's horny horse because he got his equine prick stuck in her hungry cunt. Now is that anyway to treat a horse?"

"Terrible, just terrible," Bert said and rode on ahead of us.

If experimentation is the father of invention, as necessity is its mother, then I'm sure you can see that American couples are deep into the sexual invention of the 1970's. Today everybody wants to get more out of sex, no matter where they live and what they do to make a living. They may not be as open about it as the couples I have met and interviewed, but our adventurous couples are certainly out there, screwing and doing with the best of them, every day coming up with a new twist on man's oldest sport. ●

CUM DROPS KEEP FALLING ON MY HEAD

(Continued from page 16)

girl's face at the same moment that the black exploded his cum again! That triggred off everything that followed!

Beth fainted for real! I gushed gobs of semen on Lydia's hands and Beth's dress. Lydia licked up my cum and rubbed her hands on Beth's thighs. In a daze, I managed to lay Beth on the floor and revive her! When she opened her eyes, it was a different Beth! Either she was in total shock or had completely flipped out!

She allowed Lydia to pull off her clothes and then pulled her on top of her. Beth started sucking Lydia's huge jugs as if she had discovered a fantastic toy! Lydia responded by forcing her thick nipple into Beth's mouth! Avery came out of nowhere, pried open my wife's legs and plunged his mouth on Beth's bush!

The smell of love-making was intoxicating! I cast away my inhibitions and turned to Doris. I stood up and pushed my cock at her mouth. It opened like a cave and gobbled up my prick. I grabbed her head and shoved the full prick deep in her throat! By now, all the seats were moved back and a crowd of naked bodies grappled on the floor!

I found myself with two of the actresses. It was heaven! One actress, Elaine Split, mounted my cock with me on my back while the other star, Merry Blowjob, sat on my face! I tasted boiling cunt soup for the first time in ten yeafs! I swallowed every secretion like it was life blood. Though I enjoyed this, I was concerned about Beth. As I sucked Merry's pussy, she was sucking off my manager, who was standing over my head, his prick ploughing in Merrie's mouth.

Alvin crawled by me and smiled approvingly. "I'll look after Beth for you." They way he said it didn't sound like my friend, the psychologist. My manager yelled "I'm coming!" and shot his load into Merry's mouth. Not trusting her sitting on my face, I pulled away in case she had some weird ideas about sharing my manager's cum with me. Fortunately, she shared it with Elaine. Both beautiful women clasped their arms around each other and kissed—my manager's semen spurted into their lips.

Beth was either mad and would have to be institutionalized or she was having the time of her life! She was on her side, her face hidden in Lydia's hairy cunt! Lydia was also on her side and both women were chewing up each other! But one of Beth's hands were jerking Avery's thick prick and my good friend Alvin was rubbing his cock around my wife's asshole! But that wasn't enough either! The psychologist's good wife, Doris, was sucking avidly on Beth's toes! She licked between each toe as if it was a tiny cunt.

I next found myself sitting down, a drink in my hand and watching my wife being ravaged by everyone in the room and loving it! Avery took his cock and rammed it in Lydia's beautiful, brown asshole! Everyone's rear end had been so lubricated from tongue saliva and sex sweat, no vaseline was needed. Lydia stiffened and climaxed in Beth's face! Avery stiffened and his semen load hurled itself into Lydia's ass. Quickly, Lydia rolled Beth on her back and squatted on her face to let Avery's cum drip out of her battered asshole! Beth swallowed every drop!

"I want more!" Beth cried. Two of the actors kneeled down on either side of Beth and I was amazed to see her grab their cocks and jerk them to and fro! Doris shifted from Beth's toes to her cunt and Lydia sucked Beth's breasts! The two actors began pumping out their juice on Beth's face. She yelled for more!

The stocky black came forward with his immense cock and Beth rose to her knees. "I want two cocks together!" I couldn't believe this was my Beth! My manager came forward and I almost fainted when his meaty prick and the black's monster cock both disappeared into my beloved wife's wide open mouth!

Epilogue: Beth didn't wind up in an institution, but she did wind up in the film! Cunning Avery Lags had somehow filmed the whole wild orgy scene through some type of high-speed camera.

Not only did I score the film, but Beth, today, is a top porno star and we're both proud of it! You know her by her movie name, which I can't mention.

Oh, yes. Our psychologist friends and my manager and his wife get together every few months to re-enact our introduction to the erotic movie field. ●

"Mother, I'd rather do it myself!"

and possessive. He doesn't let me do the things that I want to do. He has his own business, money (hundreds of dollars always on him), a '76 El Dorado. I broke up with him because I couldn't stand it any longer. He wouldn't even let me see my girl friends!

FLICK: Do you think that you could ever be faithful to just one man?

TINA: Yes, I can, but not right now. In a few years, when I am ready to settle down, and I find a man who really, truly, loves me, then I will be very faithful to him and have children.

FLICK: You mean you want to get the porn out of your system?

TINA: Right! You only live once and, being that I am involved with something that I love to do, I cannot be (and I will not allow myself to be) tied down to one man right now!

FLICK: Right! Which are superior: men or women?

TINA: I'd rather men be superior.

FLICK: What do you think is your best asset in bed?

TINA: My mouth, my tongue. . . . Why? I enjoy oral sex. What do you do if you haven't got anything to suck or bite on?

TINA: Well, then I use a second preference, my cunt.

FLICK: Have you developed muscle control in your cunt?

TINA: Yes, that's what makes it even more exciting. If you are tight and you know how to control your muscles, you can help move it around in the position you want it.

FLICK: What is your favorite position?

TINA: I like standing up.

FLICK: That is the first time I ever heard that! By "standing up," do you mean standing straight?

TINA: Standing up, or kneeling doggie style.

FLICK: You do things standing up?

TINA: Yes. Say, for instance, I get on a chair. I stand on a chair and the man is standing there, then I hook my legs around and then it's straight up! We both are standing, but then I get on him, he balances me, he holds me.

FLICK: Have you ever tried to fuck underwater?

TINA: No, I haven't, but I could do it.

FLICK: What is the strangest place you have ever been fucked in?

TINA: I was on a plane going to Florida. They have three bathrooms on a plane. I went into one and a man came in. It was hard because we were flying through a storm and the plane was backing.

FLICK: And the bathrooms aren't very big, anyway, right?

TINA: No. But it happened on a plane and it almost happened on a bus.

FLICK: Do you have any sexual fears?

TINA: No.

FLICK: Have you had venereal disease?

TINA: No.

FLICK: We're told that the porn people are the cleanest in the world. Do you agree?

TINA: Yes. Maybe it's because they are always checked. I can tell if someone has it or if they are in the beginning stages. I have been trained to tell whether they have syphilis or gonorrhea. On women, it's harder to tell but I even know how to tell if she has it or not.

FLICK: But you are not into women, anyway.

TINA: No, I am not, but I would know if I, myself, ever had it (which I never have).

FLICK: You like your body?

TINA: Yeah, I do. I have it, I exercise and I appreciate it.

FLICK: Were you ever jealous of other women?

TINA: No. I was never jealous of other women. I know what they do; it is the same as me.

FLICK: Would you, or could you, be jealous of a man?

TINA: Yeah! If I really had a crush on a man, and if I really loved a man deeply, and if he loved another women and didn't even pay attention to me, sure, I would be jealous of him. But I would say, "Well, this is where it's at, and if he doesn't look at me, and if he doesn't respect me, then the heck with him. There are plenty of other fish in the sea."

FLICK: What is your basic philosophy? What do you want out of life?

TINA: To be successful.

FLICK: Successfully artistically, financially, or both?

TINA: Both. To be successful financially you have to be successful artistically, right?

FLICK: Do you like money?

TINA: Yes. You appreciate it more if you work for it, yourself, instead of having it given to you. ●

"Don't worry about that foot, private, when I get through with you, you won't know you had one!"

AH! TO BE IN PARIS

(Continued from page 54)

them would start on the floor. Anyone who wanted to join in could do so at any time. And if they just wanted to cheer on everybody else and wait til later, no one said anything. There were always enough horny people around to really get the action going. That was one thing we never really had to worry about. After all, if worse came to worse, I could just pull Yvette over, tear her dress off and shove my cock down her throat. Everybody liked anything that aproximated oral rape and a lot of good fucking and sucking always followed.

hundreds of photographs and a dozen short films, all of them very hot. Not so hard, **n'est-ce pas?**

Flick: Was there any party that even surprised you because of the intensity or variety or whatever?

JC: Yeah, as a matter of fact, one time was so weird and unexpected I still think about it. Okay, now we had a lot of people that knew what our dinners and parties were like, but every now and then we would have some really straight people over, social obligation or some such shit, and then, of course, everything was really tame. Camera hidden, no mattresses, everything nice and middle-class.

One night we wound up with a whole group of people that I was convinced were irredeemably straight-neck. There were about a dozen of them, including a couple of artists and a government minister who I barely knew. We had two or three of our regular crowd with us, but we had told them to be kind of cool because of the other people, especially the government guy. He was no big deal, but he did have influence and I wasn't about to get on his bad side.

Anyway, we had spent a pretty quiet night, playing charades and stuff after dinner and I figured since it was eleven o'clock most of the people would be going soon. It was about the time I really liked to **start** parties, but I figured they had the "early to bed" thing and all. Besides, everyone had had a lot to drink and I was beginning to sort of make little asides about early appointments and all. Straightness bored the hell out of me.

Well, then the surprise. The government guy's wife had had more to drink than any of us and all of a sudden she jumped up from the sofa and started doing this really sexy dance. Someone went over to the phonograph and put on some groovy music and she really started to get it on, rubbing her tits and shoving her cunt in all the guy's faces. I was a little worried, but when I looked over at the minister, he was stroking a pretty noticeable hard-on under his pants. I gave Yvette the high sign and the party was on!

Yvette went up to the wife and started dancing just as erotically, letting their asses touch and rub for a while, rubbing her own tits, her tongue slowly drawing an arc around her mouth. Then Yvette took off her blouse so everyone could see those marvelous tits. The wife followed and she had a pair that was almost as good. Yvette walked right over to the minister and shoved her tits in his face, letting his tongue play over the nipples while he wrapped her body with his arms. Her hand dropped to his crotch and she started to slowly rub the massive hard-on. He broke into a big grin and sucked even more of her tit into his mouth. Meanwhile, the wife had walked over to me and unzipped my pants. Without saying a word, she wrapped her wet mouth around my cock and began working expertly up and down. I grabbed her tits and started to really knead them furiously, watching the welts form under my fingers. She groaned and almost screamed, but it was with pleasure.

I lifted her up and threw her down on the floor, where she lay with her tits jutting into the air, her hands working at them furiously, while her cunt bucked and swayed with passion. I grabbed her skirt and ripped it off, then threw my head between her legs and started eating her out. Her moans were faster and louder and I could feel her juices cascading out of her warm, sweaty cunt. Meanwhile, Yvette had wrapped that glorious mouth around the minister's cock and was sucking and purring like a contented cat. One of the other guys had lifted her skirt and I could hear the soft **schwoosh** as his cock started to lap in and out of her wet cunt.

Then I stopped hearing or seeing anything else. Wifey turned out to be a little hellcat on wheels. She had grabbed my head and was shoving it deeper and deeper between her legs. Her thighs were locked so tightly around me I thought I was going to choke, but the sweet taste of that pussy kept me going. Another guy had shoved his cock down her throat and she was happily gurgling away.

I managed to get out from between her legs, got the other guy out of her mouth and turned her over. She was sweating and grinding away to a music of her own, whispering and crying and then screaming all at the same time, "oh shit, oh yes, oh yes stick that cock up my ass you shithumper, I want to feel it in my stomach and I want another in my cunt and another in my mouth and I want them all and I want to feel the come dribbling out of my holes and out of my mouth and I want to lick balls eat pussy love it love it love it" and another guy jumped underneath and sunk his cock in her cunt up to her belly and she bent over and was laughing, and heaving and I felt my own cock drawn deep into her asshole. Then her husband walked over and just shoved his cock right down her throat. He hadn't done that before! I just realized that! But he was loving it. And Yvette was on her hands and knees behind him licking his balls and letting her tongue flick in and out of his asshole. I could see she was really turned on, her hands were all over her tits and she was rubbing them raw and she motioned another girl over and made her lay underneath her and she shoved that dynamity pussy right down on the girl's face and then there was a guy there eating her asshole and another girl behind him and Jesus Christ it was fucking incredible party!

I came shooting all over the bitch's asshole and I could see her squirming away while the come dripped out of her mouth and Yvette was really digging it and coming like a freight train. And I looked deep into her eyes and smiled and she got up and came over, her blonde hair hangly damply to her shoulders. She was the most fucking beautiful woman I ever saw, always was, even when we weren't fucking and she just took my hand and led me to the couch. Her tongue melted into mine and our arms were around each other and my cock was suddenly huge again and then she smiled. "I want to taste shit, honey, my shit." And she bent over and I slid my cock deep into her ass and pumped away while she came and came and then she jumped up and turned around and was burying the hilt of the shit-covered cock in her mouth and she was licking and letting her tongue taste all of her shit and then the hot come was mixing with the shit and she was swallowing it all deep into her throat and smiling the whole time and then she was staring back at me and grinning and still moving that cunt and I was in her again and it was fucking incredible.

Flick: Uh, you'll pardon the stains on the couch but that was kind of a turn-on.

JC: Don't worry, I'll get Yvonne to clean it up.

Almost on cue, the toughest looking blonde I had ever seen walked in, in the briefest bikini the French had ever conjured up. She smiled like an angel, cleaned up the couch and then looked at me, "You know," she said, "that's a terrible waste of good come." Without another word the bikini was off and those luscious hips were churning under me and the blonde hair was flying and her gorgeous tits were shoving into my chest and her breathing was hard and she was moaning and I was laughing and yelling and then we were laughing together and she was biting my ear and whispering and laughing and, "oh Jesus, you're good baby, oh shove that cock harder and god damn, you know I have an asshole too and don't you like it, why not come in my cunt and then my ass, and then my mouth, and keep coming and I promise I'll swallow it all, oh God that's good," and I just kept finding new holes to stick it in. . . .

And the last thing I remember was old Jacques off in the corner somewhere and the whirr of a camera and a big grin. "You know," I remember hearing vaguely, "Yvonne likes eating shit as much as her mother ever did! Now just smile at the birdie please." ●
